*Alla frontiera dell'innovazione:
Cloud Managed Services
nel Business Plan di TXT Retail e di TXT Next*

Borsa Italiana - April 2016

The material in this presentation has been prepared by TXT e-solutions (“TXT”) and is general background information about TXT’s activities current as at the date of this presentation. This information is given in summary form and does not purport to be complete. Information in this presentation, including forecast financial information, should not be considered as advice or a recommendation to investors or potential investors in relation to holding, purchasing or selling securities or other financial products or instruments and does not take into account your particular investment objectives, financial situation or needs. Before acting on any information you should consider the appropriateness of the information having regard to these matters, any relevant offer document and in particular, you should seek independent financial advice. All securities and financial product or instrument transactions involve risks, which include (among others) the risk of adverse or unanticipated market, financial or political developments and, in international transactions, currency risk.

This presentation may contain forward looking statements including statements regarding our intent, belief or current expectations with respect to TXT’s businesses and operations, market conditions, results of operation and financial condition, capital adequacy, specific provisions and risk management practices. Readers are cautioned not to place undue reliance on these forward looking statements. TXT does not undertake any obligation to publicly release the result of any revisions to these forward looking statements to reflect events or circumstances after the date hereof to reflect the occurrence of unanticipated events. While due care has been used in the preparation of forecast information, actual results may vary in a materially positive or negative manner. Forecasts and hypothetical examples are subject to uncertainty and contingencies outside TXT’s control. Past performance is not a reliable indication of future performance.

Unless otherwise specified all information is for the Fiscal Year ended December 31th 2015.

FY 2015

- **Revenues:** **61.5 m€ (+13.1%)**
- **Net Income (Norm.)** **3.9 m€ (+17.4%)**
- **Free Cash Flow** **8.4% of Rev.**
- **NFP:** **8.3 m€**

TXT RETAIL

Fashion, Luxury & Specialty Retail

- **1.000+ Tier 1 and Tier 2 Companies** World-wide;
- **2.500+ Tier 3**
- «Digital Transformation» of the Retail Industry is the driving force behind the **Omni-channel revolution**
- Omni-channel challenges drive a growing demand for **End-to-End Lifecycle Management Solutions**
- A global market opportunity of **1.2+ b€**, growing **8+% CAGR till 2020**

TXT NEXT

Aerospace, Automotive & Transport

- **200+ Global Aerospace & Aviation large Groups;**
- **200+ Automotive & Rail global Tier-1**
- A consolidated industry, posted for **long-term growth at 5% CAGR till 2033**, despite short-term fluctuations
- **High R&D and Engineering budgets**, under the pressure of products differentiation, emerging technologies and environmental & regulatory challenges
- **230+ b€ externalised R&D & Engineering services** across the entire Product Lifecycle, growing at **6% CAGR till 2020**

End-to-end Merchandise Lifecycle Management

Core to Retailers' competitive differentiation is the **Merchandise Lifecycle**, the end-to-end process that encompasses:

- Understanding customer needs and opportunities,
- Devising a brand and product strategy,
- Developing and sourcing a compelling collection,
- Optimizing the assortment across markets and channels,
- Buying and delivering the products
- Managing the sell out to optimise the return on merchandise investment.

Summary & Financial Details

Alvis Braga Illa – Chairman

After graduating at the Polytechnic Institute in Milan, Mr Braga Illa was for 10 years in research and teaching at the Lincoln Laboratory and Massachusetts Institute of Technology, innovating in satellite technology, optical communication and network systems. He directed the R&D Labs at Italtel, founded Zeltron S.p.A. and managed the restructuring of Ducati Energia as General Manager. Mr. Braga Illa founded TXT Automation Systems, later sold to ABB (1997), and TXT e-solutions (1989).

Marco Guida – CEO

Graduated in Electronic Engineering, Marco Guida managed innovative IT projects in various areas of the manufacturing operations of Pirelli Group until 1994, when he joined TXT e-solutions. Initially responsible for Advanced Information Systems, in January 2000 promoted to Vice President. As Director of International Operations he successfully led the transformation of TXT e-solutions from an Italian to an International Group. Since 2009 he is Chief Executive Officer of TXT Group.

Paolo Matarazzo – CFO

After graduating from Milan's Bocconi University and majoring in business administration at the University of San Diego (California), has had significant experience in the financial world. He was initially an analyst in London for three years and then worked for the Recordati Group for seven years, with responsibility for treasury management. In the following seven years he was Head of Finance, Administration & Control in Europe for Eurand, a company listed on NASDAQ. He joined TXT in May 2007 as Group CFO.

- TXT Retail
 - Global Retail Industry is **large, growing & dynamic**: e-commerce, new business models, new players
 - Planning is a «**big niche**» & a growing investment area for Retailers
 - TXT has a **unique offering** and a **solid competitive position**, sustained by **constant innovation**
 - Large, world-wide base of **happy global customers**.
 - **Global presence** with the opportunity to further expand in **North America** and **APAC** markets.
- TXT Next + PACE
 - Large, innovative & healthy target markets, with long-term positive trends
 - Highly fidelised **customer base**
 - **Solid team** with 30+ years of **domain expertise**
 - **Specialised** know-how consolidated in **Sw assets**: differentiation, competitive advantage and margins
 - **Leader** with the opportunity to continue **growing in Europe**, both **organically** and through **targeted acquisition**, and to accelerate international development

- **International** profile: >55% of Revenues from Int'l markets, and growing
- Growth in **Revenue, Profit & Cash**
- **Large fidelised customer base** of 350+ blue-chip customers: a key asset in good & bad times, hard to replicate for new competitors
- **Solid** presence in **large, healthy markets** with very high **growth potential**
- **Upside growth potential**: opportunity to capitalize existing product & know how in other industries
- **Innovation** is in our DNA: historically a «1° mover» in many markets
- **Solid & stable management** team, who are shareholders of TXT
- **Cash & Stock Dividend policy**
- **Expanding Shareholder base**: co-workers & management; private & retail; institutional investors
- Financially solid and self-sustainable
