<b>Total</b>	<b>29,764</b>	<b>23,153</b>	<b>28.6%</b>

Data in EUR/000.

Data from management accounts, not subject to a BoD resolution, unaudited. Data do not include Contactlab’s ARR as of December 2021.

Annual Recurring Revenue is calculated as the sum of untermiated annual subscriptions active as of December 2022 and 2021. Monthly subscriptions are annualized (multiplied by 12). Subscriptions represent recurring revenues: they do not include professional services, SMS traffic, and other services sold on a one-off basis, whereas they include usage fees such as API calls, image hosting and additional users with a recurring pattern (December 2022 estimates). ARR is not comparable with historical CPaaS sales below.

Data in EUR/000.

Data from management accounts, not subject to a BoD resolution, unaudited. Figures might differ from reported sales because of period adjustments. 2021 data were restated to include an update in sales representation, currently showed gross of intercompany operations.

Within the CPaaS business line, **Agile Telecom** recorded Q4 sales of ca 16.2M EUR sales, up 21+% over the same period of the previous year. This confirms the recovery of economic activities and incorporates the positive contribution of the end of 2022, marked by relevant marketing events such as Black Friday and Christmas holidays, and material growth in foreign sales, which represent ca. 75% of Q4 2022 sales.

Within the SaaS business line, the business unit which recorded the highest growth rate is **BEE** (beefree.io), with a 10.1M EUR ARR, up 38% over the same period of the previous year (or 27% at constant USD/EUR fx), thanks to a combined increase in both volumes and usage.

**Acumbamail's** performance is also very good (growing 14+%), whereas **MailUp+Contactlab** posts growing sales (33%, of which 5% organic), not including the SMS sales nor Contactlab's Agency component. The **Datatricks** business unit sales, operating in the Predictive Marketing space with a proprietary Customer Data Platform, generated a 2.2M EUR ARR, decreasing by 10% YoY.

**Growens (GROW)** is a vertically integrated player in the field of Cloud Marketing Technologies. with a combined SaaS and CPaaS offer. Its growing suite of data-driven solutions allows SMEs and large corporations globally to master the evolving ways of communicating with customers. Starting from the parent company, which includes the MailUp business unit (Email marketing technology), the group boasts a steady growth path both organically and through acquisitions: Acumbamail (Spanish and LatAm markets), Agile Telecom (wholesale SMS market), Datatricks (artificial intelligence), Contactlab (Email marketing enterprise). The brand portfolio is completed by BEE, an email editor launched in 2017 as a complementary business line, already covering thousands of customers worldwide. Today, Growens is a leading European player in the field of Cloud Marketing Technologies, serving ca. 26.000+ customers in 100+ countries.

The company is admitted to trading on the Euronext Growth Milan (EGM) market managed by the Italian Stock Exchange, with a free float of ca. 35%.
