Board of Directors' Meeting	2025 Half yearly report	September 10 th , 2025
Board of Directors' Meeting	Quarterly report for the third quarter 2025	November 14 th , 2025

Following the release of the financial statements for the financial year 2024, for the half-year financial report and the 2025 interim management reports, special earnings conference calls with the financial community are scheduled to take place, tentatively, on the first working day following the earnings release.

Any subsequent changes to the information contained hereinbefore will be promptly announced.

El.En., an Italian company, is the parent of a high-tech industrial group operating in the optoelectronics sector. Based on proprietary technology and multidisciplinary know-how, the El.En. Group manufactures laser sources (gas, semiconductor, solid-state and liquid) and innovative laser systems for medical and industrial applications. The El.En. Group is the laser market leader in Italy and among the top operators in Europe. It designs, manufactures and sells worldwide:

- Medical laser equipment used in dermatology, cosmetics, physiotherapy, dentistry and gynecology;
- Industrial laser systems for applications ranging from cutting, marking and welding metals, wood, plastic and glass to decorating leather and textiles and restoring/conserving artwork;
- Laser systems for scientific research
