Explanatory Report drawn up in accordance with Article 125-ter of Legislative Decree No. 58 of 24 February 1998 (the "Italian Consolidated Law on Finance (TUF)") and Article 73 of the Regulation issued by the Italian Stock Exchange Regulatory Authority (Consob) with resolution No. 11971 of 14 May 1999 (the "Consob Issuers' Regulation") in accordance with Annex 3A, Schedule 4 of the Consob Issuers' Regulation

SIXTH ITEM ON THE AGENDA OF THE ORDINARY PART

Authorization to purchase and dispose of treasury shares after revoking the previous authorization resolved at the Ordinary Shareholders' Meeting on 23 April 2024. Related and ensuing resolutions.

Dear Shareholders,

you have been called to an Ordinary Shareholders' Meeting, in accordance with the combined provisions of (i) Articles 2357 et seq. of the Italian Civil Code, (ii) Article 132 of the Italian Consolidated Law on Finance and (iii) Article 144-bis of the Consob Issuers' Regulation to discuss and resolve, among other things, on the proposal to authorise the purchase and disposal of treasury shares for the purposes and in accordance with the terms and the procedures described below, subject to revocation of the prior authorisation resolved at the Ordinary Shareholders' Meeting on 23 April 2024.

In this regard, we remind you that the Shareholders' Meeting authorised the purchase of treasury shares by the Board of Directors for a period of eighteen months from the date of the Shareholders' Meeting's resolution. The authorisation to purchase the Company shares will therefore expire on 23 October 2025, while the authorisation to dispose of the shares was granted without time limits.

At the date of this report, the aforementioned resolution remained unimplemented.

Given what we believe is the desirability, for the reasons specified in detail in this report, to renew the authorisation for the Board of Directors to purchase the Company shares for an

additional period, we propose that you revoke the existing authorisation and resolve on a new authorisation to purchase and dispose of the Company shares.

Reasons for the authorisation proposal

The renewed request for authorisation to purchase and dispose of treasury shares is based on the desirability of granting the Board of Directors of Fincantieri the power to purchase and dispose of Company shares, even in more than one tranche, in accordance with the regulatory provisions in force and the procedures indicated below, for the following purposes:

- for share incentive plans approved by the Company or its subsidiaries, including the “2022–2024 Performance Share Plan”, approved by the Ordinary Shareholders’ Meeting on 8 April 2021, the “2024–2025 Employee Share Ownership Plan”, which was approved by the Ordinary Shareholders’ Meeting on 23 April 2024, as well as the “2025–2027 Performance Share Plan” and the “2025–2026 Employee Share Ownership Plan”, which will be submitted for approval at the upcoming Ordinary Shareholders’ Meeting on 14 May 2025;
- to fulfil obligations deriving from debt instruments convertible into equity instruments;
- to carry out activities to support market liquidity;
- to establish an inventory of securities for the sale, disposal and/or utilisation of treasury shares, in conformity with the Company's anticipated strategic lines, in the context of extraordinary transactions, including, for example, exchanges, barter, contributions or for capital transactions or other corporate and/or financial transactions and/or other extraordinary transactions, e.g., acquisitions, mergers, demergers, issuance of convertible debenture loans, bonds, warrants, etc.;
- to carry out market transactions based on a medium and long-term investment strategy, also in order to create durable investments or in the context of transactions associated with day-to-day management, or to reduce the average cost of the Company’s share capital or take the opportunity to maximise share value based on favourable market trends.

Maximum number of shares involved in the authorisation proposal

As at 24 March 2025, the date of approval of this report, Fincantieri’s share capital is EUR 878,300,179.70 and is divided into 323,159,676 ordinary shares without par value.

It should be noted that starting from September 2024, the Company's share capital is subject to monthly update until 30 September 2026 due to the right of the holders of 2024-2026 Fincantieri Warrants to request to subscribe new ordinary shares at any time up to the aforesaid date in accordance with the resolution of the Company's Board of Directors dated 11 June 2024¹.

It is proposed, in this context, that the Shareholders’ Meeting should authorise the purchase of treasury shares in one or more tranches, up to a maximum number that - taking into account the number of Fincantieri shares periodically held in the portfolio by the Company

Pursuant to Article 2357, paragraph 1, of the Italian Civil Code, the purchase transactions will be carried out within the limits of distributable profits and available reserves as showed in the most recently approved financial statements.

The authorisation includes the power to dispose of all or some of the shares in the portfolio at a later stage, and on different occasions, even before the maximum quantity of purchasable shares has been used up and, potentially, to repurchase those shares up to the authorised limit of treasury shares that the Company and, if appropriate, its subsidiaries can hold.

Further information useful for assessing compliance with Article 2357, paragraph 3, of the Italian Civil Code

As at 24 March 2025, the date of approval of this report, the Company held 407,433 treasury shares, representing approximately 0.13% of the share capital at that date. The subsidiaries do not hold shares of the Company. The subsidiaries will be given special instructions to ensure that they promptly notify any purchase of shares pursuant to Article 2359-bis of the Italian Civil Code, as well as within the limits and according to the conditions thereunder.

Upon each purchase or disposal transaction of treasury shares, the Company shall make the necessary or appropriate accounting entries, in compliance with Article 2357-ter, last paragraph, of the Italian Civil Code and applicable accounting standards.
