Avio is a leading international group engaged in the construction and development of space launchers and solid, liquid and cryogenic propulsion systems. The experience and know-how built up over more than 50 years puts Avio at the cutting-edge of the space launcher sector and defense program. Avio is present in Italy, France, United States and French Guyana, employing approx. 1,400 highly qualified personnel. Avio is the prime contractor for the Vega program and a sub-contractor for the Ariane program, both financed by the European Space Agency (ESA) placing Italy among the limited number of countries capable of producing a complete spacecraft.
