PRESS RELEASE

**Edil San Felice secures a contract worth over 8 million euros from ASPI for routine maintenance work
Orders exceed 73 million euros in 2025**

Naples, July 22, 2025 – Edil San Felice S.p.A. Società Benefit (“the Company” or “Edil San Felice”) – a leading integrated operator active in the maintenance of critical infrastructure in Italy, listed on the Euronext Growth Milan market – has been awarded a contract worth €8,622,554.00 by Autostrade per l’Italia for routine and recurring maintenance work on sections under the responsibility of the Cassino Branch Directorate, as part of a Framework Agreement signed on March 7, 2023.

This contract represents the second and final renewal option that could be exercised in favor of Edil San Felice under the aforementioned Framework Agreement, which, with this assignment, reaches a total value of €25,867,642.00.

With this new award, the total value of orders acquired by Edil San Felice in 2025 rises to over €73 million.

Lorenzo di Palma, CEO of Edil San Felice, commented: *“This new contract reflects the trust we have built over time and our role as a long-term industrial partner in the highway maintenance sector, where we continue to seize the best opportunities the market has to offer. Our workforce, now exceeding 340 employees, enables us to respond directly, efficiently, and safely to multiple contracts simultaneously, as confirmed by the more than €73 million in orders acquired in 2025. We will continue on this growth path, remaining true to our zero-subcontracting policy, which ensures safety and maximum reliability.”*

EDIL SAN FELICE

Edil San Felice S.p.A. S.B. is a leading integrated provider of solutions for the development and both routine and extraordinary maintenance of highway and airport infrastructure. Founded in 1979, Edil San Felice is today among the main operators in highway maintenance, with a nationwide presence through two operational facilities in Naples and Bologna and a workforce of over 340 employees. The company's core activities include road safety services, maintenance of viaducts and other civil structures, as well as various additional services. As of December 31, 2024, the company reported a Production Value of €51.6 million, marking a 12.7% increase compared to the €45.8 million recorded on December 31, 2023. Edil San Felice works with the main Italian highway and infrastructure clients and operators, including Autostrade per l'Italia, Anas, Aeroporti di Roma, Naples-Salerno Airports (Gesac), Amplia Infrastructures, Tangenziale di Napoli, Movyon, and Autostrade Meridionali.
