About the Trevi Group:

The Trevi Group is a world leader in all-round ground engineering and in the design and marketing of specialised technologies in the sector. Founded in Cesena in 1957, the Group has approximately 59 companies and, with dealers and distributors, is present in 90 countries. Among the reasons for the Trevi Group's success are internationalisation and integration, as well as continuous exchange and interaction between the two divisions: Trevi, which carries out special foundations and soil consolidations for large infrastructure projects (subways, dams, ports and docks, bridges, railway and motorway lines, industrial and civil buildings) and Soilmec, which designs, manufactures and markets machinery, plants and services for underground engineering. The parent company, Trevi -Finanziaria Industriale S.p.A., has been listed on the Milan Stock Exchange in the Euronext Milan segment since July 1999.
