PRESS RELEASE

BANCO BPM ANNOUNCES A TENDER OFFER FOR ITS “€500,000,000 6.00 PER CENT. SENIOR NON-PREFERRED NOTES DUE 13 SEPTEMBER 2026”

Milan, 16 October 2025 – BANCO BPM S.p.A. (“**Banco BPM**” or the “**Issuer**”) hereby announces a cash tender offer (the “**Invitation**”) for any and all of its €500,000,000 6.00 per cent. Senior Non-Preferred Notes due 13 September 2026 (XS2530053789) (the “**Existing Notes**”) issued under its €25,000,000,000 Euro Medium Term Note Programme (the “**EMTN Programme**”), in an aggregate principal amount outstanding of €500,000,000.

The Invitation, which is being made simultaneously with the New Notes Offering (as defined below), is in line with the Issuer's proactive management of its liabilities. In addition, the Invitation will provide liquidity for investors tendering their Existing Notes and offers to holders of such Existing Notes (the “**Holders**”) the concurrent opportunity to redeploy funding into the Issuer's proposed New Notes.

OVERVIEW OF THE OFFER

Banco BPM hereby announces an invitation to holders of the Existing Notes to tender any and all of their Existing Notes for purchase by the Issuer for cash. The Invitation is subject to the terms and conditions, and to the offer and distribution restrictions, set forth in the tender offer memorandum dated 16 October 2025 (the “**Tender Offer Memorandum**”). The aggregate nominal amount of Existing Notes accepted for purchase is referred to as the “**Acceptance Amount**”. The Invitation is not contingent upon the tender of any minimum nominal amount of Existing Notes.

The Invitation will expire at 5.00 P.M. (CET) on 23 October 2025 (the “**Expiration Deadline**”). The full terms and conditions of the Invitation are contained in the Tender Offer Memorandum, copies of which are available from the Tender Agent whose contact details are indicated below. Capitalised terms used in this notice but not defined have the meanings given to them in the Tender Offer Memorandum.

Details of the Existing Notes and summary of the Invitation

Description of the Existing Notes	ISIN	Maturity	Rate of Interest	Outstanding Principal Amount	Purchase Price	Amounts of Existing Notes Subject to the Invitation
€500,000,000 6.00 per cent. Senior Non-Preferred Notes due 13 September 2026	XS2530053789	13 September 2026	6.000%	€500,000,000	103.3%	Any and All

The Issuer has submitted an application to the Single Resolution Board for authorisation for the repurchase by the Issuer of the Existing Notes in the context of the Invitation and has obtained such authorisation.

Summary details of the Invitation are set forth below.

New Notes Offering and New Issue Condition

Today, the Issuer announced its intention to issue new Euro-denominated senior non-preferred notes under its EMTN Programme, in an aggregate nominal amount expected to be equal to €500,000,000 (the “**New Notes**”) to be offered, subject to market conditions, to qualified investors (including Holders of the Existing Notes who may receive priority on allocation as described below – see paragraph headed “*New Issue Allocations*” below) (the “**New Notes Offering**”).

The New Notes will be admitted to the Official List of the Luxembourg Stock Exchange, admitted to trading on the regulated market of the Luxembourg Stock Exchange and rated by major credit rating agencies.

In particular, the purchase by the Issuer of any Existing Notes validly tendered in the Invitation is conditional, without limitation, upon the pricing and successful completion (in the sole determination of the Issuer) of the New Notes Offering (expected to occur following the commencement of the Invitation Period but in any event not later than the Settlement Date, with pricing and allocation of the New Notes Offering expected to occur prior to the Expiration Deadline) (the “**New Issue Condition**”). The New Issue Condition may be waived at the sole discretion of the Issuer.

New Issue Allocation

The Issuer, in connection with the allocation of the New Notes, will consider (among other factors) whether or not the relevant investor seeking an allocation of the New Notes has - prior to the pricing and allocation of the New Notes (expected to occur prior to the Expiration Deadline) - validly tendered or indicated its firm intention to any of the Dealer Managers to tender the Existing Notes and, if so, the aggregate principal amount of Existing Notes tendered or intended to be tendered by such investor. Therefore, a Holder that intends to subscribe for New Notes in addition to validly tendering Existing Notes for purchase pursuant to the Invitation may, at the sole and absolute discretion of the Issuer, receive priority in the allocation of the New Notes in the New Notes Offering, subject to the terms set forth herein, the satisfaction of the New Issue Condition and such Holder also making a separate application for the purchase of such New Notes to a Dealer Manager (in its capacity as Joint Bookrunner of the issue of the New Notes) in accordance with the standard new issue procedures of such Joint Bookrunner.

The aggregate nominal amount of New Notes for which a Holder may receive priority in allocation may be in an amount (determined at the sole and absolute discretion of the Issuer) up to the aggregate nominal amount of the Existing Notes validly tendered by such Holder in the Invitation and accepted for purchase by the Issuer or the nominal amount of the Existing Notes such Holder has indicated its firm intention to tender. However, the Issuer is not obliged to allocate the New Notes to a Holder who has validly tendered or indicated a firm intention to tender Existing Notes pursuant to the Invitation; and if New Notes are allocated to a Holder in the New Notes Offering, the principal amount thereof may be less (or more) than the aggregate nominal amount of the Existing Notes validly tendered by such Holder in the Invitation and accepted for purchase by the Issuer. Any such

priority allocation will also take into account (among other factors) the minimum denomination of the New Notes, being €150,000 and integral multiples of €1,000 in excess thereof.

In addition, in the event that a Holder validly tenders Existing Notes pursuant to the Invitation, such Notes will remain subject to such tender and the conditions of the Invitation as set out in the Tender Offer Memorandum irrespective of whether that Holder receives all, part or none of any allocation of any New Notes for which it has applied.

The pricing and allocation of the New Notes is expected to occur prior to the Expiration Deadline and, therefore, Holders who wish to subscribe for New Notes in addition to tendering Existing Notes for purchase in the Invitation are advised to contact a Dealer Manager also in its capacity as Joint Bookrunner as soon as possible following commencement of the Invitation Period and prior to the pricing and allocation of the New Notes in order to request priority in the allocation of the New Notes.

If the New Issue Condition is not satisfied or waived on or prior to the Settlement Date, the Issuer will announce the termination of the Invitation promptly and, in any event, on or prior to the Settlement Date.

To contact the Dealer Managers, Holders should use the contact details provided below or on the last page of the Tender Offer Memorandum.

Purchase Price Consideration and Accrued Interest Amount

Each Holder who validly tenders its Existing Notes for purchase pursuant to the Invitation and whose tender is accepted by the Issuer shall receive on the Settlement Date, subject to the terms and conditions of the Invitation, a cash consideration equal to the product of: (a) the aggregate nominal amount of the Existing Notes that are the subject of the Holder's tender and accepted for purchase by the Issuer, and (b) the Purchase Price specified in the table on the first page of this announcement (such product rounded to the nearest €0.01 with €0.005 rounded upwards) (the "**Purchase Price Consideration**").

On the Settlement Date, in addition to the Purchase Price Consideration, the Issuer will also pay (or procure to be paid) to Holders whose tender of Existing Notes is accepted a cash amount (rounded to the nearest €0.01 with €0.005 being rounded upwards) equal to the amount of accrued interest from (and including) the Interest Payment Date immediately preceding the Settlement Date to (but excluding) the Settlement Date, calculated in accordance with the Existing Notes Conditions (the "**Accrued Interest Amount**").

Tender Instructions

In order to tender its Existing Notes for purchase pursuant to the Invitation, a Holder should deliver, or make sure that, on its behalf, via the relevant Clearing System and in accordance with the requirements of such Clearing System, a valid Tender Instruction is received by the Tender Agent on or before the conclusion of the Invitation Period. Each Tender Instruction must specify, among other things, the securities account number at the relevant Clearing System in which the Existing Notes are held and the aggregate nominal amount of the Existing Notes being tendered.

See further "*Procedures for Participating in the Invitation – Tender Instructions*" in the Tender Offer Memorandum.

Tender Instructions will be irrevocable and may not be withdrawn, save in the limited circumstances where revocation is permitted as indicated in the Tender Offer Memorandum in the section "*Amendment, Termination and Revocation – Revocation Rights*".
