- The Group confirms its guidance

Forlì, 23 October 2025 - The Board of Directors of Ferretti S.p.A. reviewed and approved the consolidated financial results as of September 30, 2025.

Mr. Alberto Galassi, the Group's Chief Executive Officer, stated: *"We are very pleased with the results achieved during this period, which confirm a particularly strong order intake. The improved macroeconomic and geopolitical environment has helped create more favorable conditions, allowing us to seize opportunities more effectively. The Mediterranean boat show season has been a success, thanks to our positioning, product portfolio, and the uniqueness of our brands, compared to the rest of the industry. The current level of ongoing negotiations is also exceptionally high, reflecting steadily growing demand. Overall, the market recovery gives us confidence for the final part of the year and for the upcoming American season, which promises to be full of potential".*

The Board of Directors stated: “We congratulate the CEO and the management team for the good financial results, despite the uncertain and challenging macroeconomic environment. We are confident that the Company will continue to create value for the stakeholders in the future”.

Order intake, Order backlog and Revenue overview

Order intake

In First Nine Months of 2025, order intake amounted to €770.9 million, an increase of 4.6% compared to the same period of 2024, which was €736.9 million. This outstanding new orders' collection of ca. €303.6 million in Q3'25 (ca. +36% vs. Q3'24) mainly coming from the boat show season, has been supported by a clearer macroeconomic and geopolitical environment that encouraged clients to purchase new yachts. Furthermore, this result in Order Intake in Q3'25 has been achieved without any new Super yacht order.

Other businesses ⁶	4.1	0.5%	0	0.0%	nm (+4.1 mln)
Total	770.9	100.0%	736.9	100.0%	+4.6%

The **Composite yachts** segment totaled €278.8 million in the First Nine Months of 2025, accounting for about 36.2% of total order intake (from €288.2million, accounting for about 39.1% of total order intake in the First Nine Months of 2024). The Composite segment is in line with last year with more than 50% of new Composite orders in Q3'25 coming from models over 80ft, increasing over time.

The **Made-to-measure yachts** segment totaled €423.9 million in the First Nine Months of 2025, accounting for about 55.0% of total order intake (from €321.5 million, accounting for about 43.6% of total order intake in in the First Nine Months of 2024). Product mix is good, with Made-to-measure increasing ca. 32% in the First Nine Months of 2025 vs the First Nine Months of 2024 and ca. +185% in the Third Quarter 2025 vs. the Third Quarter 2024.

The **Super yachts** segment totaled €64.2 million in the First Nine Months of 2025, accounting for about 8.3% of total order intake (from €127.3 million, accounting for about 17.3% of total order intake in the First Nine Months of 2024). The difference is mainly due to the presence of a bespoke Super yacht in the First Nine Months of 2024 compared to the First Nine Months of 2025.

The **Other businesses** totaled €4.1 million in the First Nine Months of 2025, accounting for about 0.5% of total order intake (the other business segment did not collect any order in in the First Nine Months of 2024).

⁴ The Ferretti Yacht 940 model that was originally under the composite yachts segment had been reclassified under the Made-to-measure yachts segment in the Relevant Period and nine months ended September 30, 2024

Consolidated operating and net results

Adj. EBITDA

The Group's adjusted EBITDA in the First Nine Months of 2025 was €141.7 million, up 2.5% from First Nine Months of 2024, which was €138.2 million. Adjusted EBITDA margin¹⁷ was equal to 16.0%, in line with the First Nine Months of 2024. In a two-speed market, to keep our solid position and safeguard our share, we have decided to remain competitive on pricing in yachts below 24 meters.

Net profit

The Group's net profit was €61.0 million in First Nine Months of 2025, moving from around €62.2 million in First Nine Months of 2024.

Overview of the consolidated balance sheet

Investments in tangible and intangible assets

Investments in tangible and intangible fixed assets as of 30 September 2025 were €64.5 million, of which approximately €24.8 million were allocated to maintaining existing production operations and the current product portfolio and around €39.6 million for business expansion activities.

Consolidated net financial position

The net financial position as of 30 September 2025 was €65.2 million of net cash, down €36.4 million compared to €101.6 million as of 30 June 2025 reflecting the usual third quarter's net working capital absorption. Thanks to better finished goods management and lower level of composite production for the USA season, Q3'25 absorption was lower vs. Q3'24 (ca. €87mln).

¹⁷ Calculated as EBITDA adj./revenue without pre-owned business

Net working capital

The net working capital as of 30 September 2025, was positive at €189.5million, an increase of €41.2 million compared to 30 June 2025, in relation to the dynamics mentioned in the previous paragraph.

Significant events that occurred in the First Nine Months of 2025

On June 27, Ferretti Group and Flexjet, a global leader in private aviation, unveiled “Riva Volare”, an exclusive interior design project for Flexjet aircraft cabins, inspired by the style of Riva motorboats.

On June 18, Ferretti distributed a dividend of €0.10 per each of the 338,482,654 ordinary shares issued and outstanding as of the ex-dividend date, set for June 16. The total maximum amount of dividends distributed amounts to €33,848,265.40.

On 13 May 2025 the Shareholder’s meeting of Ferretti S.p.A was convened and approved:

- the audited Consolidated Financial Statements and the audited separate Financial Statements as of December 31, 2024;
- the "Report on the Remuneration Policy and on Compensation Paid";
- the integration of the Board of Directors through the appointment, pursuant to article 2386 of the Civil Code, of Tan Ning and Hao Qinggui as directors;
- the distribution of an ordinary dividend of €0.10 per share

In April and May, the Group participated in the international boat shows in Singapore and Venice.

In January, February, and March, the Group participated in the major international boat shows in Düsseldorf, Miami, Dubai, and Palm Beach.

In July, the Group increased its ownership to 100% of Sea Lion’s share capital, thereby fully consolidating its presence in the company that owns the “Wally” brand.

In September the Group participated in the major Mediterranean Boat shows starting with the Ferretti Group Private Preview in Monaco, moving to Cannes and Genova boat shows, and ending with the Monaco Super Yachts Boat show.

Outlook

Top-tier luxury clients continue to exhibit spending behaviours that defy market trends, contrasting with the aspirational luxury segment. The global yachting industry remains resilient amid geopolitical and macroeconomic uncertainty, highlighting its stability and strength. In this context, the Group has continued to deliver outstanding performance, consistently gaining market share and reinforcing its strategic position not only in high-value segments but also in new emerging and high-growth segments. To continue building on the expected growth trends of the global luxury yacht industry, enhancing its value proposition and strengthening its overall resilience, the Group’s future plans are based on the following strategic pillars:

Itama

Riva

CRN

CUSTOM LINE

- the Group will enhance and expand its product offering and product mix ahead of evolving market trends and customer expectations, with the aim to consolidate its market leadership position in both Composite and Made-to-measure segments, focusing on the segments with the highest growth potential and marginality;
- the Group will continue to invest in innovation, technologies, and products with the aim of providing a more environmentally responsible yachting experience, thanks to the skillful use of more sustainable materials and processes aimed at reducing the environmental impact of the products;
- the Group will expand its Made-to-measure offering into larger alloy yachts, developing new alloy-hulled super yacht models under its iconic Riva, Pershing, and Custom Line brands;
- the Group will also broaden both its yacht brokerage, chartering and management services and its after-sales and refitting services; extend its brand extension and licensing activities;
- finally, the Group will keep investing in the internalization of high value-added activities to support its future growth and product portfolio expansion.

of operating performance from period to period by eliminating potential impacts of certain items and believes that this measure provides useful information to understand and evaluate the Group's consolidated income statements in the same manner as they help the Group's management. However, the Group's presentation of EBITDA may not be comparable to similar terms used by other companies. The use of this measure has limitations as an analytical tool, as such, it should not be considered in isolation from, or as substitute for analysis of, the Group's results of operations or financial condition as reported under IFRS.

The periodic financial information as of September 30, 2025, has not been audited by the Company's independent auditing firm.

The Company defines (i) EBITDA as profit after tax plus financial expenses (including the result of operating foreign exchange conversion but excluding exchange rate gains/(losses) related to financial transactions), depreciation and amortization, and income tax expense, and less financial income and income tax benefit; (ii) adjusted EBITDA as EBITDA adjusted by adding back certain special items (including non-recurring costs and other minor non-recurring events); and (iii) net revenue without pre-owned as net revenue excluding revenue generated from the trading of pre-owned yachts.
