*Solely for the purposes of the product governance requirements contained within: (a) Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; (c) local implementing measures; and (d) in respect of firms which are subject to the requirements of the U.K. Financial Conduct Authority (the "**FCA**") Handbook and Product Intervention and Product Governance Sourcebook, the relevant provisions of MiFID II as they form part of U.K. domestic law by virtue of the Europan Union (Withdrawal) Act 2018 ("**EUWA**") ("**U.K. MiFID II**"), (letters (a)-(d) together, the "**MiFID II Product Governance Requirements**"),and disclaiming all and any liability, whether arising* *in tort, contract, or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the pre-emptive subscription rights (the "**Rights**") and the new ordinary shares (the "**New Shares**") have been subject to a product approval process, which has determined that the New Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II. In respect of firms which are subject to U.K. MiFID II, references in this section to MiFID II shall mean the relevant provisions thereof as they form part of U.K. MiFID II; and (ii) eligible for distribution through all distribution channels as permitted by the Product Governance Rules (the "**Target Market Assessment**"). Any person subsequently offering, selling, or recommending the Rights and the New Shares (a "distributor") should take into consideration the manufacturer's Target Market Assessments; however, a distributor subject to the MiFID II Product Governance Requirements is responsible for undertaking its own Target Market Assessment in respect of the Rights and the New Shares (by either adopting or refining the manufacturer's Target Market Assessment) and determining appropriate distribution channels.*

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Rights and the New Shares (as defined in the offering materials)may decline and investors could lose all or part of their investment; the Rights and the New Shares offer no guaranteed income and are not capital protected; and an investment in the Rights and the New Shares is compatible only with investors who do not need guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to bear any losses that may result therefrom.

The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Sole Global Coordinator will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) a suitability or appropriateness assessment for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other with respect to the Rights and New Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Rights and the New Shares and determining appropriate distribution channels.
