COMUNICATO STAMPA

For the dissemination of regulated information, Markbass makes use of the eMarket SDIR circuit managed by Teleborsa S.r.l., with registered office at Piazza Priscilla 4, Rome.

Markbass is synonymous with Italian passion, innovation, and love for music. For over twenty years, the company has designed and crafted bass amplifiers that have redefined industry standards, conquering stages worldwide with a distinctive sound. Thanks to a pioneering vision and cutting-edge technologies, Markbass has established itself as a leading reference in bass amplification. In recent years, the brand has expanded its horizons with the same spirit and meticulous care that have always distinguished it: from guitar amplifiers and a line of entry-level bass amplifiers to electric basses for every level - from beginner instruments for those taking their first steps to high-end instruments made with the finest Italian woods - without forgetting the string lines, designed to ensure expressiveness and reliability in every musical context. From young talents to established artists, the world's top musicians - including legends like Marcus Miller, Richard Bona and Mark King - choose Markbass. Behind every product lies a clear mission: to deliver an authentic sound, inspire creativity, and transform every performance into a unique experience.
