YOLO GROUP

YOLO Group is an insurtech company, among the main ones in Italy and with a presence abroad, with two lines of offer: services to enable the digital distribution of insurance products of insurance companies, banks and retailers (e.g., utilities and large-scale distribution); distribution, through partnership agreements, of insurance products made in collaboration with companies. Since its establishment at the end of 2017, YOLO has developed numerous partnerships, in Italy and abroad, to enable digital insurance offerings.

In direct distribution, YOLO has adopted, in addition to a digital model, a hybrid model combining digital and physical channels (so-called phygital). In 2022, it launched the Yolo Insurance Network (YIN), a platform that allows smaller insurance agencies and brokers to integrate digital into the physical management and distribution model. Around 600 brokers have joined YIN.

YOLO has been listed in the ordinary segment of Euronext Growth Milan since 2022. The main shareholders, in addition to the two co-founders (Gianluca De Cobelli and Simone Ranucci Brandimarte), include Generali Italia, Intesa Sanpaolo Vita, Neva SGR, Primo Capital SGR S.p.A., Enablia, IBL Banca, Net Insurance, Smart4Tech, Banco di Desio e della Brianza.
