PRESS RELEASE

PRYSMIAN CLOSES THE ACQUISITION OF ACSM

Milan, February 10, 2026 – Prysmian has completed the acquisition of ACSM, a leader in solutions for submarine installation, route planning and seabed preparation activities, as communicated in [January 2026](#).

With the closing complete, ACSM will be fully consolidated into the Prysmian perimeter for financial reporting as of February 2026.

Prysmian

Prysmian is a global cable solutions provider leading the energy transition and digital transformation. By leveraging its wide geographical footprint and extensive product range, its track record of technological leadership and innovation, and a strong customer base, the company is well-placed to capitalize on its leading positions and win in new and growing markets. Prysmian's business strategy perfectly matches key market drivers by developing resilient, high-performing, sustainable and innovative cable solutions in the segments of Transmission, Power Grid, Electrification and Digital Solutions. Prysmian is a public company listed on the Italian Stock Exchange, with almost 150 years of experience, over 33,000 employees, 107 plants and 27 R&D centers in over 50 countries, and over €17 billion of revenues in 2024.
