

Directors' Report

Ordinary Shareholders' Meeting
March 31st, 2026

07. Delegation to the Board of Directors to carry out a free capital increase by a maximum of 550,000 UniCredit ordinary shares to service the 2020-2023 LTI Plan and consequent integration of clause 6 of the Articles of Association

Dear Shareholders,

we have called you in the Shareholders' Meeting in extraordinary session to submit to you the following proposal to grant the power of attorney to the Board of Directors, pursuant to article 2443 of the Civil Code, to increase the share capital pursuant to article 2349 of the Civil Code (granting of free ordinary shares to UniCredit Group employees) and the consequent amendment to the Articles of Association.

As known, with a view to greater flexibility in the market context, the Ordinary Shareholders' Meeting of April 08th, 2022, envisaged that the Plan's funding, including the Long Term Incentive Plan (LTI Plan) 2020-2023, would be implemented through dedicated proposals for the purchase of treasury shares (SBB) or free share capital increase (FCI) to be submitted to the Shareholders' Meeting depending on the opportunity assessment that, in light of the broader economic context, will be carried out by Management and the Board of Directors, and subject to the need to obtain the necessary Supervisory approvals.

Therefore, the current structure of the plans makes it necessary to evaluate year by year how it is intended to provide the shares to be delivered in the following year and to submit for approval the relevant proposal to the Shareholders' Meeting.

Given that the Shareholders' Meeting of 9 April 2020, in resolving on the Long-Term Incentive Plan 2020- 2023, did not grant the Board of Directors the authority to increase the share capital, taking into account the time frame of the Plan itself, and that for the shares to be delivered in 2027, it was evaluated to proceed with the free capital increase and consequently it is needed to acquire the power of attorney to service the third tranche of the said plan.

All above considered, it is proposed to today's Shareholders' Meeting to grant the Board of Directors the power to resolve a free capital increase, in one or more instances in 2027, by a maximum of 550,000 UniCredit ordinary shares

to service the 2020-2023 LTI Plan, resulting in an increase in the share capital by a value equal to the the implied nominal value of the shares when the power of attorney is executed.

The aforementioned capital increase must be carried out through the use of the special reserve set up for this purpose, called "Provisions Linked to the Medium Term Incentive System for Group Employees" which, where appropriate, may be restored or increased via allocation of profits or a portion of available statutory reserves, formed through the allocation of Company profits, that shall be identified by the Board of Directors at the moment of shares issuance. In this regard, it should be noted that for the purposes of reconstituting and/or modifying the reserve, the implied nominal value of the shares shall be taken into account.

Under the provisions of article 2349 of the Italian Civil Code, the consequent amendments to the Articles of Association are submitted to today's Shareholders' meeting for approval, inserting a new last paragraph in clause 6 with the following text.

"The Board of Directors has the power, under the provisions of article 2443 of the Italian Civil Code, to resolve, on one or more occasions 2027, to carry out a free capital increase, as allowed by article 2349 of the Italian Civil Code, for a maximum 550,000 ordinary shares, to be granted to employees of UniCredit and of Group Banks and Companies who hold positions of particular importance in execution of the 2020-2023 Long Term Incentive Plan. In the event of the exercise of the delegation, the share capital will be increased by an amount equal to the implicit nominal value of the shares issued."

The amendments to the Articles of Association of UniCredit submitted to the approval of today's Shareholders' Meeting – which do not trigger the right of withdrawal of the shareholders pursuant to art. 2437 of the Civil Code – are subject to the authorization of the Supervisory Authorities' pursuant to Art. 56 of the Legislative Decree 385/93.
