The Designated

Representative may also be granted proxies and/or sub-proxies pursuant to Article 135-*novies* of the TUF. For more information, please refer to the section on '*Entitlement to intervene and vote*' below.

### **INFORMATION ON THE SHARE CAPITAL AS AT THE DATE OF THE NOTICE OF CALL**

The subscribed and paid-in share capital of the Company is 7,860,651.00 euro, represented by 50,417,417 ordinary shares with no nominal value, all with voting rights. As of the date of this Notice, the Company holds 974,915 treasury shares, for which, pursuant to the law, voting rights are suspended. The composition of the share capital is available on the Company website <https://www.esprinet.com>, section '*Investors - Esprinet on the Stock Exchange*'.

Shares are registered, freely transferable, indivisible and, in the case of co-ownership, are governed by law.

### **ENTITLEMENT TO INTERVENE AND VOTE**

Pursuant to Article 10 of the Articles of Association and in accordance with the provisions of Article 135-*undecies*.1 of the TUF, attendance at the Shareholders' Meeting by those with voting rights and the exercise of voting rights may only take place through the Designated Representative pursuant to Article 135-*undecies* of the TUF without the physical participation of shareholders; the aforementioned Designated Representative may also be granted proxies and/or sub-proxies pursuant to Article 135-*novies* of the TUF, in derogation to Article 135-*undecies*, paragraph 4, of the TUF.

Pursuant to Article 10 of the Articles of Association, directors, statutory auditors, representatives of the independent auditors, the notary public, the Designated Representative and other persons who are allowed to participate in the Shareholders' Meeting pursuant to law and the Articles of Association, other than those with voting rights, may participate in the Shareholders' Meeting exclusively through the use of telecommunication means that guarantee their identification, in compliance with current and applicable provisions, according to the procedures that will be made known by the Company to the aforementioned persons, and in any case without it being necessary for the Chair of the Shareholders' Meeting and the person in charge of taking the minutes to be in the same place, in compliance with the provisions of the Articles of Association.

Pursuant to Article 83-*sexies* of the TUF, the entitlement to participate in the Shareholders' Meeting and to exercise the related voting right is attested by a communication to the Company, made by the authorised intermediary in favour of the person entitled to vote (the "**Communication**"), on the basis of the evidence relating to the end of the accounting day of the seventh trading day preceding the date set for the Shareholders' Meeting, i.e. **14 April 2026** («record date»); accounts receivable and payable after that date shall not be relevant for the purposes of entitlement to intervene and vote at the Shareholders' Meeting; therefore, those who will result as holders of the Company's shares only after that date shall not be entitled to intervene and vote at the Shareholders' Meeting. Notifications from authorised

intermediaries must be received by the Company by the end of the third trading day prior to the date set for the Shareholders' Meeting, i.e. by **20 April 2026**. However, the entitlement to intervene and vote in the event that the communications are received by the Company after said deadline, provided that they are received before the start of the meeting proceedings, remains unaffected by the principle according to which attendance and voting at the Shareholders' Meeting may only take place by conferring the appropriate proxy and/or sub-proxy to the Designated Representative.

There are no procedures for voting by correspondence or by electronic means.

### **INTEGRATION OF THE AGENDA AND PRESENTATION OF NEW PROPOSALS FOR RESOLUTIONS**

Pursuant to Article 126-*bis* of the TUF, shareholders who, also jointly, represent at least one-fortieth of the share capital may request, within ten days of the publication of this Notice, the integration of the list of items to be discussed, indicating, in their request, the additional items they propose, or submit resolution proposals on items already on the Agenda.

The request must be submitted, in writing, to the registered office, Via Energy Park 20, 20871 - Vimercate, (MB), for the attention of the office *Corporate and Legal Affairs* or by certified electronic mail, to the address [esprinet@legalmail.it](mailto:esprinet@legalmail.it) or by e-mail to [investor@esprinet.com](mailto:investor@esprinet.com), together with an appropriate communication attesting the ownership of the share issued by the intermediaries holding the accounts on which the requesting parties' shares are registered. Within the aforementioned deadline, a report must be submitted by the proposers on the matters proposed to be dealt with, or the explanatory statement on the motions submitted on matters already on the Agenda.

Integration is not permitted for items on which the Shareholders' Meeting resolves, pursuant to law, on the proposal of the directors or on the basis of a draft or a report prepared by them other than those referred to in Article 125-*ter*, paragraph 1, TUF. Any supplementary list of items to be discussed at the Shareholders' Meeting and any further proposals for resolutions submitted, together with any comments by the Board of Directors, will be published in the form and within the terms provided for by law.

Any additions to the list of matters that the Shareholders' Meeting will have to cover as a result of the aforementioned requests or the presentation of further resolution proposals on matters already on the Agenda shall be reported in the same forms prescribed for the publication of the notice of call, at least 15 days before the date set for the Shareholders' Meeting, i.e. by **8 April 2026**.

In addition to the above, taking into account that participation in the Shareholders' Meeting is envisaged exclusively through the Designated Representative, the persons entitled to participate in the Shareholders' Meeting who intend to formulate proposals for resolutions on the items on the Agenda are invited to submit them in advance, by **8 April 2026**, in the same manner as indicated in the preceding paragraph. Such proposals will be published on the Company's website by the following **10 April 2026**, in order to allow those entitled to vote to express themselves in an informed manner also taking into account such new proposals and to allow the Designated

Representative to collect any voting instructions also on the same. The requesting party shall provide appropriate documentation proving the legitimacy to participate in the Meeting and the granting of proxy to the Designated Representative for participation in the Meeting.

In the event of proposals for resolutions on items on the Agenda that are alternative to those formulated by the Board, the Board's proposal will first be put to the vote (unless it is withdrawn) and, only if that proposal is rejected, will the Shareholders' proposals be put to the vote. These proposals, even in the absence of a proposal by the Board, will be submitted to the Shareholders' Meeting starting with the proposal submitted by the Shareholders representing the largest percentage of the capital. Only if the proposal put to the vote is rejected, the next proposal in order of capital represented will be put to the vote. For the purposes of the relevant publication, as well as in relation to the proceedings of the Shareholders' Meeting, the Company reserves the right to verify the relevance of the proposals with respect to the items on the Agenda, their completeness, their compliance with applicable regulations and the legitimacy of the proposers.
