ORDINARY AND EXTRAORDINARY SHAREHOLDERS' MEETING OF 21

April 2026

SINGLE CALL

Report by the Board of Directors on the proposals concerning the items on the

agenda of the Shareholders' Meeting

Item 1 of the extraordinary session

“Proposal for free share capital increase, to be reserved for employees of Italgas S.p.A. and/or companies in the Group, for a nominal maximum amount of 6,200,000.00 euros, in one or more tranches, through allocation, pursuant to Article 2349 of the Italian Civil Code, of a corresponding amount drawn from retained earnings reserves, with the issuance of no more than 5,000,000 of ordinary shares. Amendment to article 5 of the Company Bylaws. Related and consequent resolutions.”

Dear Shareholders,

the Board of Directors of your company on 3 March 2026, upon proposal of the Appointments and Remuneration Committee dated 27 February 2026, passed a resolution to submit for the approval of the Shareholders' Meeting a medium to long-term incentive plan called the “2026-2028 Co-investment Plan reserved for employees of Italgas S.p.A. and/or Group companies” (hereinafter the “**Plan**”) described in the information document drawn up pursuant to Article 84-*bis* of Consob Regulation No. 11971/99, as amended and supplemented, made available to Shareholders to review item 5 on the agenda of the ordinary session of the Shareholders' Meeting.

The information document, to be referred to for more information on the Plan, also indicates – pursuant to the aforementioned regulatory provision – the Plan recipient categories, the criteria for identifying effective beneficiaries and Plan characteristics, and details the reasons underlying the proposal to adopt the Plan.

The Plan involves the free allocation of the Company's ordinary shares to participants. Those shares are expected to be the result of a capital increase to be performed using retained earnings reserves pursuant to Article 2349 of the Italian Civil Code. Those participating in the plan, and in particular employees of Italgas S.p.A. and/or Group companies, shall be entitled to receive shares under the terms and conditions established in the Plan itself.

In order to guarantee the related supply of shares, the Board therefore intends to submit for your attention a proposal for a free share capital increase, in one or more tranches, for a nominal maximum amount of 6,200,000.00 euros, through allocation, pursuant to Art. 2349 of the Italian Civil Code, of a corresponding maximum amount from retained earnings reserves, with the issue of no more than 5,000,000 ordinary shares to be reserved for the beneficiaries of the Plan.

Note that, pursuant to article 5 of the Company Bylaws, *“the share capital may be increased...with the issue of new shares, including special categories, to be assigned free of charge pursuant to art. 2349 of the Italian Civil Code.”*

1. Reasons and intended use of the capital increase

The aim of the Plan is to ensure a high level of alignment between the interests of the management and those of shareholders in the medium to long term; support the retention of key resources in the medium to long-term and launch a medium to long-term incentive system capable of creating a strong link between the company results achieved and the creation of long-term value for shareholders, promoting the sustainable success of Italgas S.p.A. and the Group.

The capital increase is reserved exclusively for the aforementioned Plan and therefore it is to be used exclusively for employees of Italgas S.p.A. and/or companies of the Group.

The shares may be issued, even in one or more tranches, for the duration of the share capital increase resolution outlined, and in any case by the final deadline of 30 June 2031.

2. Characteristics of the shares and allocation to capital

The Company shares, that can be assigned to Plan beneficiaries under the terms and conditions established therein, will be ordinary Italgas S.p.A. shares with the same characteristics as those in circulation. In addition, they shall have the same dividend rights as the Company's outstanding ordinary shares and shall therefore carry the coupons then in force at the time of their issuance.

As the shares of your Company have no express nominal value, the Board intends to submit for your attention a proposal to ascribe to capital a maximum amount of 6,200,000.00 euros and therefore an amount, for each share, equal to the current accounting par value of the shares rounded to the euro cent of 1.24 euros as calculated on 31 December 2025.

3. Bylaw amendment arising from the resolution on the proposed capital increase

The transaction outlined involves an amendment to article 5 of the Company Bylaws to incorporate the capital increase resolution.

In particular, a new paragraph (5.8) will be added to article 5 of the Company Bylaws to incorporate the following content:

On 21 April 2026, the Extraordinary Shareholders' Meeting resolved to increase the share capital, in one or more tranches, by a nominal maximum amount of 6,200,000.00 euros, through allocation, pursuant to art. 2349 of the Italian Civil Code, of a corresponding amount drawn from retained earnings reserves, with the issuance of no more than 5,000,000 ordinary shares, to be assigned free of charge to the beneficiaries of the incentive plan approved by the Ordinary Shareholders' Meeting of 21 April 2026 and to be carried out by the final deadline of 30 June 2031."

Set out below is a comparison of the text of Article 5 of the current Bylaws, as resulting from the execution of the capital increase carried out on 3 March 2026, with the amended text as described above, which is submitted for approval by the Extraordinary Shareholders' Meeting:
