The Sustainability Report, prepared pursuant to Legislative Decree No. 125/2024 and included in the 2025 Report on Operations, was approved by the Board of Directors on 13 March 2026.

We have supervised, to the extent of the Board of Statutory Auditors' responsibility, the Company's compliance with the Sustainability Reporting requirements set forth by Legislative Decree No. 125/2024, Legislative Decree No. 58/1998 and other applicable regulations and, in particular, the inclusion in a specific section of the Report on Operations of the information required by Articles 3 and 4 of Legislative Decree No. 125/2024 and the specifications adopted pursuant to Article 8(4) of Regulation (EU) 2020/852 of the European Parliament and of the Council and we have no observations to report in this regard.

In particular, the Board of Statutory Auditors monitored the processes of risk management, compliance with national and EU regulations and the preparation of the Sustainability Report, ascertaining the adequacy of the organisational and procedural controls adopted for the collection and processing of the data necessary for its preparation, and that the Company has, inter alia, identified the IRO (Impacts, Risks and Opportunities) and performed the double materiality analysis, as required by applicable regulations and ESRS standards adopted by the European Commission.

In meetings with the relevant functions, the Control and Risk Committee and the Independent Auditors, we received regular updates on the preparatory activities and processes supporting the preparation of the Sustainability Report, monitoring any ESG impacts on corporate strategies.

Since the Board of Statutory Auditors has not been entrusted with the analytical control of the contents of the Sustainability Report, we monitored the Directors' compliance with the procedural rules pertaining to its drafting, approval and publication, ascertaining its general compliance with the law with regard to its formation and structure, as well as the process of its formation.

The limited audit of the Sustainability Report was carried out by EY S.p.A. in application of Articles 8 and 18(1) of Legislative Decree No. 125/2024.

It is the duty of the Independent Auditors, pursuant to Article 14-bis of Legislative Decree No. 39/2010, to express, in a report, its conclusions on the compliance of the Sustainability Report with the rules of Legislative Decree No. 125/2024 that regulate its preparation criteria, as well as its compliance with the disclosure requirements of Article 8 of Regulation (EU) 2020/852 of the European Parliament and of the Council.

We would like to point out that on 30 March 2026, the Independent Auditors issued this report, unqualified, in the form of a limited audit.

On the basis of the activities performed and the information acquired, the Board of Statutory Auditors, including in its capacity as the Internal Control and Audit Committee, pursuant to art. 19 of Italian

Legislative Decree 39/2010 and art. 149 of the Consolidated Law on Finance, has no observations to report.

1. With regard to the financial year that is the object of the present report, there do not emerge transactions carried out by the Company or its subsidiaries that may be considered significant or having a relevant economic or financial impact. The Board also verified compliance with the law and the deed of incorporation and the proper execution of the resolutions passed by the Shareholders' Meeting.

2. The Board of Statutory Auditors did not encounter any atypical and/or unusual transactions, nor any significant non-recurring transactions, including infra-group or with related parties, as defined in Consob Communication DEM/6064293 dated July 28, 2006. We acknowledge that information provided in the 2025 Annual Report on such transactions is adequate.

3. The characteristics of transactions with subsidiaries and related parties carried out by the Company and its subsidiaries in 2025, entities involved and the related economic effects, are reported in the "Related party transactions" paragraph of the Report on Operations and the chapter "Disclosure on Related Parties" in the Annual Report and Consolidated Financial Statements, to which reference should be made.

Transactions with Related Parties, identified on the basis of international accounting standards and the provisions issued by Consob, are governed by an internal procedure (the "Procedure"), adopted by the Company's Board of Directors, in compliance with the provisions of Article 2391-bis of the Italian Civil Code and the Regulation issued by Consob with Resolution No. 17221 of 12 March 2010, amended by Resolution No. 22144 of 22 December 2021.

The Board of Statutory Auditors monitored the conformity of the Procedure with the provisions of the Regulation and the correct application thereof.

4. It is hereby acknowledged that on 30 March 2026, the auditing firm EY S.p.A. issued the Reports pursuant to Article 14 of Legislative Decree No. 39/2010 and Article 10 of Regulation (EU) No. 537/2014, in which it certified that both the Annual Report and the Consolidated Financial Statements give a true and fair view of the financial position of the Company and the Group as of 31 December 2025, the results of operations and cash flows for the year then ended, in accordance with International Financial Reporting Standards as adopted by the European Union, as well as the measures issued in implementation of Art. 9 of Legislative Decree 28 February 2005, no. 38. In its reports, the auditors did not point out any findings or requests for information.

Moreover on 30 March 2026, the Independent Auditors also:

- submitted to the Board of Statutory Auditors in its capacity of Committee for Internal Control and Audit, the Additional Report provided for in Art. 11 of Reg. EU no. 537/2014 issued on the same date;
- issued, pursuant to Article 3(10) of Legislative Decree 125/2024, the "Independent Auditors' Report on the Sustainability Report". In that Report, the Independent Auditors stated that, based on the work performed, nothing has come to their attention that leads them to believe that the Sustainability Report of the Cembre Group, which includes the paragraph "Disclosure pursuant to Article 8 of Regulation 2020/852" (Taxonomy), relating to the year ended 31 December 2025, was not prepared, in all material respects, in accordance with as required by the Decree.

During the periodic meetings of the Board of Statutory Auditors with the Independent Auditors, pursuant to Article 150(3) of Italian Legislative Decree No. 58/1998, no aspect worthy of mention in the present report emerged, nor did it receive therefrom information on facts deemed to be reprehensible in connection with the performance of the audit carried out.

The Board of Statutory Auditors, in its capacity as Internal Control and Audit Committee, has: (i) examined the Transparency report and the additional report prepared by the Independent Auditors in compliance with criteria set out in Reg. 537/2014, noting that, based on the information acquired, no critical aspects emerged in relation to the conduct of the statutory audit,

(ii) verified and monitored the independence of the Independent Auditors, pursuant to Art. 19, paragraph (1)(e) of Italian Legislative Decree 39/2010, as amended by Italian Legislative Decree 135/2016, discussing any onset of situations with it that could potentially give rise to risks relating to its independence and any measures to be taken to reduce or neutralise such, in accordance with Article 6 (2)(b) of Reg. EU No. 537/2014,

(iii) received written confirmation from the Independent Auditors, on 30 March 2026, that in the period from 1 January 2025 to the date of issue of the Report, the ethical standards were respected as set forth in Articles 9 and 9-bis of Legislative Decree 39/2010, and that no situations had been encountered that had compromised its independence from Cembre S.p.A., in accordance with Articles 10 and 17 of Legislative Decree 39/2010 and Articles 4 and 5 of the European Regulation 537/2014.

The Board of Statutory Auditors has informed the Company's Board of Directors on the results of the statutory audit and, to this end, has sent the Chair of the Board of Directors the Additional Report in accordance with Article 19 of the Decree.

5-6. During 2025 and up to the date of this Report, no complaints have been received pursuant to Art. 2408 Civil Code, nor any reports from shareholders or third parties, and therefore no action has been taken by the Board of Statutory Auditors in this regard.

The Board of Statutory Auditors is also not aware of any other facts or allegations to be reported to the Shareholders' Meeting.

7-8. The Board of Statutory Auditors monitored the nature and extent of the services other than the task of auditing assigned to the Independent Auditors and to the other companies of the Cembre Group by EY S.p.A. and to the entities included in its network.

During the financial year, Cembre S.p.A. appointed EY S.p.A., the independent auditor, for an additional assignment to audit the Statement of Eligible Costs for the purposes of the Industry 5.0 tax credit, for a total of €5,000. No incompatibilities were identified in relation to this assignment, as the relevant law specifies that this certification activity is the responsibility of the entity appointed to perform the statutory audit of accounts.

In addition, a company belonging to the network of the external auditor EY S.p.A., namely EY Advisory S.p.A., was engaged to perform an accounting Due Diligence assignment. This assignment, which can

be classified as a NAS (Non-Audit Service), does not give rise to any incompatibility with the role of statutory auditor, as it does not interfere with the audit of the financial statements, and the amount of the fees determined (€40,000) also falls within the thresholds set for such services.

The Board of Statutory Auditors, in its role as the Audit Committee, approved these assignments in advance, verifying the compatibility of these services with the prohibitions set forth in Article 5 of Regulation (EU) 537/2014 and the absence of potential threats to the auditor's independence arising from the performance of these services, also for the purposes of the safeguards set forth in Article 22b of Directive 2006/43/EC.

The details of the fees paid and other additional audit services have been reported by the Directors in the statement prepared pursuant to art. 149-duodecies of CONSOB Regulation no. 11971 of 14 May 1999 and subsequent amendments and additions (Implementing Regulation of Legislative Decree no. 58 of 24 February 1998 concerning the Issuers' Regulation).

9. In accordance with the law and regulations, the Board of Statutory Auditors did not issue any written opinions during 2025. It is reported that the Board of Auditors has expressed its opinion in all those cases in which it has been requested by the Board of Directors, also in compliance with regulatory provisions requiring prior consultation or approval of the Board of Auditors. In particular, regarding:

- approval of the variable component of the remuneration of the Chairman and Chief Executive Officer, upon the proposal of the Remuneration Committee;
- proposal to supplement EY S.p.A.'s remuneration and proposal formulated by EY S.p.A. for services other than auditing;
- correctness of the assessment criteria and procedures adopted by the Board of Directors to assess the independence of its members;
- proposals and reviews carried out by the Remuneration Committee regarding the incentive scheme for executive directors.

Furthermore, on 17 June 2025, following appropriate sample checks, the Committee issued a declaration in lieu of an affidavit, signed by the Chair, as requested by the Cembre S.p.A. client, Ferservizi S.p.A., certifying the specific amount of the Cembre S.p.A. turnover in the years 2022, 2023 and 2024 for the product category "BEN-MFE-01 Supply of Hardware and Electrical Equipment".

10. In general, with the end of acquiring information instrumental in carrying out its monitoring activities, in 2025, the Board of Statutory Auditors

11. The Board of Statutory Auditors monitored compliance with the Law and the By-laws and the respect of correct management practices, ensuring that operations resolved and carried out by Directors were consistent with said rules and principles in addition to being inspired by rational economic principles and not manifestly imprudent or excessively risky, in contrast with resolutions taken by the Board or such as to compromise the integrity of the company's assets;

The Board believes that the instruments and governance institutes adopted by the Company are valid to ensure respect of the principles of correct administration.

12. The Board of Statutory Auditors acquired direct knowledge and monitored, within its scope of competence and in relation to the company's size, the adequacy of the Company's organisational structure, including through comprehensive information gathering from the heads of the various company functions, the head of the Internal Audit function, the Control and Risk Committee, the Supervisory Body, and the independent auditors, for the purpose of mutually exchanging relevant and non-relevant data and information.

The Cembre Group is equipped with the organisational model required by Italian Legislative Decree 231/2001, of which the Code of Ethics is an integral part, aimed at preventing the commission of relevant offenses pursuant to the decree, last updated by resolution of the Board of Directors 14 November 2025.

In light of verifications carried out and the absence of critical situations, the organisational structure of the Company appears adequate to its corporate goal, the characteristics and size of the company.

- the certification of the Financial Statements and Consolidated Financial Statements pursuant to Article 81-ter of the Consob Regulation of 14 May 1999 as amended, signed by the Chief Executive Officer and the Financial Reporting Manager. At the Board of Directors' meeting of 6 March 2025, it was specified that, within the scope of the powers attributed to the Financial Reporting Manager, he or she should also be responsible for the Sustainability Report.

The Board of Statutory Auditors also interfaced with the Head of Internal Audit to evaluate the audit plan and its outcome, both in its introduction phase, and in that of the review of verifications performed and the related follow-up.

The Company adopted the Organisational Model contemplated by Italian Legislative Decree 231/2001 (the "231 Model") of which the Code of Ethics forms an integral part. The Model is continually updated to bring it into line with regulatory changes introduced over time.

The Board of Statutory auditors Acknowledges that the yearly reports of Internal Audit close with an overall favourable opinion of the internal control structure.

It should be noted that the meetings of the Board of Directors and the various Committees have been preceded by the supply of information and documentation on the topics to be dealt with in full respect of the confidentiality of the Company's acts and documents.

In view of the supervisory activities carried out and taking into account the assessments of the adequacy, effectiveness and actual functioning of the internal control and risk management system made by the Control and Risk Committee and the Board of Directors, the Board of Statutory Auditors considers, to the extent of its competence, that the system as a whole is reliable, effective and able to act with adequate timeliness and to contribute, at the same time, to the improvement of company management as a whole.

14. The Board also monitored the ability of the managerial accounting system of the Company to correctly represent the performance of the Company through the gathering of information from the Financial Reporting Manager and the heads of the competent departments, examining company documentation and analysing the results of the work carried out by the Independent Auditors. In particular, the Board reports that in 2025 the Reporting Manager verified, with the help of the Internal Audit Department, the adequacy and actual application of administrative and accounting procedures as per article 154-bis, TUF; such activity allowed to attest that the financial statements provide a true and correct representation of the financial situation and economic performance of the Company and its subsidiaries.

In view of the supervisory activities carried out and also taking into account the assessment of the adequacy of the Company's organisational, administrative and accounting structure made by the Board of Directors at its meeting of 13 March 2026, the Board of Statutory Auditors considers, to the extent of its competence, that this system is adequate and reliable for the purposes of correct and timely representation of management events.
