The Board of Statutory Auditors also acknowledges that it has issued its consent, pursuant to Art. 5, paragraph 4, of Regulation (EU) 2014/537, to the provision by the Independent Auditors EY S.p.A. of services other than the external audit.

***Supervisory activity on the adequacy of the administrative and accounting system and the auditing and sustainability activity***

Pursuant to Art. 19 of Legislative Decree 39/2010 (Consolidated External Audit Act), the Board of Statutory Auditors, in its role as an internal control and external audit committee of public interest entities, is required to supervise:

- the financial reporting process;
- the effectiveness of the internal control and risk management systems;
- the External audit of the annual accounts and consolidated accounts and the certification of compliance with the Consolidated Sustainability Statement;
- the independence of the Independent Auditors and the Consolidated Sustainability Statement, specifically as far as the provision of non-audit services is concerned.

The Board of Statutory Auditors carried out its activities in collaboration with the Control and Risk Committee and the Sustainability Committee in order to coordinate their responsibilities and avoid overlapping of activities.

#### *Financial and sustainability reporting process*

The Board of Statutory Auditors supervised the existence of rules and procedures relating to the process of formation and dissemination of financial information. In this regard, it should be noted that the Report on Corporate Governance and Ownership Structures illustrates how the Group defined its Internal Control and Risk Management System in relation to the financial reporting process at the consolidated level. The Financial Reporting Officer is Gianluca Beschi. The Financial Reporting Officer is supported by the Internal Audit Department to check the operation of the administrative and accounting procedures through control testing.

Gianluca Beschi was also appointed as the Manager in charge of certifying the Consolidated Sustainability Statement, as required by the new Article 154-ter, paragraph 1-*quater*, of the TUF.

The Board of Statutory Auditors acknowledges that it has received adequate information on the monitoring of business processes with an administrative and accounting impact within the Internal Control System. This activity was carried out both during the year in relation to the regular management reports, and during the closing of the accounts for the preparation of the Financial Statements, in compliance with the monitoring and certification requirements to which SABAF is subject pursuant to Law no. 262/2005. In particular, the Board of Statutory Auditors took note of the findings of the Risk Assessment for the 2025 financial year and of the monitoring and verification activities implemented in accordance with the aforementioned legislation, as presented by the Reporting Manager, and also attended the meetings of the Control and Risk Committee and the Board of Directors at which these matters were examined.

The adequacy of the administrative and accounting system was also assessed through the acquisition of information from the heads of the respective departments and the analysis of the results of the work carried out by the Independent Auditors.

No particular critical issues or elements hindering the issue of the certification by the Financial Reporting Officer and by the Chief Executive Officer concerning the adequacy of the administrative and accounting procedures for the preparation of the Financial statements of SABAF and the Consolidated Financial Statements for the year 2025 emerged.

The Board of Statutory Auditors supervised compliance with the regulations related to the preparation and publication of the Half-Yearly Report and the Interim Management Reports, as well as the settings given to them and the correct application of the accounting standards, also using the information obtained from the Independent Auditors.

Furthermore, it is acknowledged that:

- the Independent Auditors appointed to carry out the external audit currently in office, EY S.p.A., were appointed for the 2018-2026 period at the Shareholders' Meeting held on 8 May 2018: the procedure for the appointment was carried out in compliance with the provisions of Art. 16 of Regulation (EU) 2014/537. The Board of Statutory Auditors in office at that time submitted to the Board of Directors a reasoned recommendation containing the name of two Independent Auditors suitable to replace the

one that is due to expire, expressing preference for one of them. This recommendation was developed at the end of a detailed selection procedure that was carried out in compliance with the provisions contained in Regulation (EU) 2014/537;

- EY S.p.A. was also appointed to certify the compliance of the Sustainability Statement with Art. 8 of Legislative Decree 125/2024 by integrating the assignment received on 13 April 2018 relating to the Consolidated Non-Financial Statement;
- EY S.p.A. illustrated to the Board of Statutory Auditors the checks carried out and did not report any findings in the periodic meetings with the Board of Statutory Auditors;
- the Board of Statutory Auditors supervised the auditing of the annual and consolidated financial statements, as well as the auditing of the Consolidated Sustainability Statement, obtaining information and periodically discussing with the Independent Auditors and the board committees.

In particular, all the main phases of the audit activity were illustrated to the Board of Statutory Auditors, including the identification of the risk areas, with a description of the related audit procedures adopted; moreover, the main accounting principles applied by SABAF have been followed.

The Board of Statutory Auditors also acknowledges that on 27 March 2026 the Independent Auditors EY S.p.A. issued their opinions on the consolidated financial statements and the financial statements at 31 December 2025 in the Independent Auditors' Reports pursuant to Art. 14 of Legislative Decree no. 39 of 27 January 2010, and Art. 10 of Regulation (EU) no. 537/2014. The Reports on the consolidated financial statements and on the separate financial statements do not give rise to any observations or requests for information.

It is acknowledged that the Independent Auditors expressed, both in the Independent Auditors' Report pursuant to art. 14 of Legislative Decree 39/2010 and art. 10 of Regulation (EU) no. 537/2014 on the financial statements at 31 December 2025 and in the Independent Auditors' Report pursuant to art. 14 of Legislative Decree 39/2010 and art. 10 of Regulation (EU) no. 537/2014 on the Consolidated Financial Statements at 31 December 2025, a positive opinion on the consistency with the Financial Statements and compliance with the law:

- of the Report on Operations;
- of the information referred to in Art.123-*bis*, paragraph 4, Legislative Decree 58/98 contained in the Report on corporate governance and ownership structures.

During the audit of the financial statements at 31 December 2025, special attention was paid to the key aspects relating to the valuation of equity investments; during the audit of the consolidated financial statements at 31 December 2025, special attention was paid to the key aspects relating to the recoverability of the carrying amount of goodwill.

On the same date of 27 March 2026, the Independent Auditors issued the Additional Report for the Board of Statutory Auditors in its role as Internal Control Committee pursuant to art. 11 of Regulation (EU) 537/2014, which will be forwarded by the Board of Statutory Auditors to the Board of Directors, as required by the regulations in force.

The aforementioned Reports issued by the Independent Auditors EY S.p.A. do not reveal any significant shortcomings in the Company's internal control system for financial information and accounting system.

Finally, on 27 March 2026, the independent auditors EY S.p.A. issued the Independent Auditors' Report on the limited review of the Consolidated Sustainability Statement pursuant to Art. 14-*bis* of Legislative Decree 39/2010, in which they certify that, based on the work carried out:

- the Consolidated Sustainability Statement of the Sabaf Group for the 2025 financial year has been prepared, in all material respects, in accordance with the reporting standards adopted by the European Commission pursuant to Directive 2013/34/EU (European Sustainability Reporting Standards, hereinafter also "ESRS");
- the information contained in the Consolidated Sustainability Statement, in particular, in the paragraph "Disclosure pursuant to art. 8 of Regulation (EU) no. 852/2020 (Taxonomy Regulation)", has been prepared, in all material respects, in compliance with Art. 8 thereof.

The Board of Statutory Auditors supervised the independence of the Independent Auditors EY S.p.A., verifying the type and extent of services other than auditing with reference to SABAF and its subsidiaries and obtaining explicit confirmation from the Independent Auditors that the independence requirement was met. The statement on independence has been included, pursuant to Art. 11, paragraph 2, letter a), of Regulation (EU) 2014/537, in the above-mentioned Additional Report .

The fees paid by the SABAF Group to the Independent Auditors EY S.p.A. and to companies belonging to the Independent Auditors' network for the 2025 financial year are as follows:

ACTIVITY	AMOUNT (EURO/000)

In the light of the above, the Board of Statutory Auditors considers that the Independent Auditors EY S.p.A. meet the requirement of independence.

This plan sets out the Sabaf Group's objectives, actions and commitments aimed at reducing greenhouse gas emissions and ensuring that its strategy and business model are compatible with the goal of limiting global warming to 1.5°C, in line with the Paris Agreement.

Furthermore, it should be noted that the Group made net investments of €18 million. That procedure was prepared in compliance with what was established by the CONSOB Regulation on Related Parties (no. 17221 dated 12 March 2010 as amended) and was last updated by the Board of Directors on 11 November 2025.

The Board of Statutory Auditors supervised the effective application of the rules by the Company and has no observations to make in this regard in this Report.

### **Risks related to international political tensions**

The Board notes that, throughout 2025 and 2026, geopolitical tensions linked to the conflicts in Ukraine and the Middle East continued to shape the international landscape. In this regard, the board of directors has stated that the Group is not directly exposed to these geographical areas and that it closely monitors macroeconomic developments in order to assess any potential impact on the Group's operations.

In the international macroeconomic context, tariff and customs measures that are likely to affect economic growth trends remain in place. The Group's presence in key markets, including through facilities located in various geographical areas, helps to mitigate the potential effects of trade tariffs or export restrictions.

### **Proposal to the Shareholders' Meeting**

On 24 March 2026, the Board of Directors stated that the financial statements closed with a profit of €10,652,567. The Board of Directors proposes to pay shareholders an ordinary dividend of €0.58 per share, excluding treasury shares held by the company as at the ex-dividend date.

The Board of Statutory Auditors expresses its favourable opinion for the approval of the separate financial statements at 31 December 2025 and has no objections to make to the proposed dividend distribution presented by the Board of Directors as formulated in the Explanatory Notes and in the Directors' Report on Operations.
