### **ABOUT NEXTGEO GROUP**

Next Geosolutions (“NextGeo”) is a leading international group providing marine geoscience investigation and offshore infrastructure support services for the energy industry, with a strong focus on renewable energy. Founded at the end of 2014 and part of the Marnavi Group – the largest Italian shipowner operating globally in the offshore sector – NextGeo offers engineering consulting, high-end survey and turnkey solutions, leveraging deep expertise and operational excellence in the offshore domain. With a modern fleet of DP2-class vessels (owned or operated within the Group) and a multicultural team of over 600 qualified professionals, the Company delivers a broad range of services including geophysical and geotechnical marine surveys, environmental and archaeological investigations, UXO identification and clearance, and integrated offshore construction support. In 2025, NextGeo reported a production value of €267.3 million and a net profit of €49.9 million.
