MAIL, PARCEL & DISTRIBUTION

ACCELERATING PARCEL & LOGISTICS REVENUE GROWTH - RESILIENT MAIL

€ m unless
otherwise stated

EXTERNAL REVENUES

- Parcel & logistics
- Mail
- Other¹

Distribution Revenues ²	1,421	1,524
------------------------------------	--------------	--------------

ADJUSTED EBIT

Q1 HIGHLIGHTS

- Acceleration of Parcel and Logistics revenue growth driven by parcel market share gains across a diversified customer base and contract logistics development - Benetton Logistics JV announced
- Mail revenues supported by repricing actions and positive mix effect
- Distribution revenues driven by strong commercial momentum and Active Portfolio Management concentration in Q1-26
- Adjusted EBIT progressing in line with 2026 guidance

¹. Includes Digital Identities fees, EGI, Philately, Poste Welfare Service, Agile Lab and Sourcesense; ². Includes income received by other segments in return for use of the distribution network, Corporate Services and capex costs reimbursement

MAIL, PARCEL & DISTRIBUTION: VOLUMES AND PRICING

STRONG PARCEL VOLUME GROWTH - MAIL PRICING MITIGATING VOLUME DECLINE

€ m unless
otherwise stated

PARCEL VOLUMES (M, PC)

% delivered by
postal network

MAIL VOLUMES (M, PC)

AVERAGE PARCEL TARIFF (€/PC)

AVERAGE MAIL TARIFF (€/PC)

Q1 HIGHLIGHTS

- Strong parcel volume growth benefiting from continuing market share gains across customer segments
- Parcels delivered by Postini at 43%, up 3 p.p. Y/Y
- Average parcel tariff reflecting higher volumes with lower pricing and unit costs
- Higher average mail tariff driven by repricing actions - still benefitting from Apr-25 USO repricing - and positive mix effect

FINANCIAL SERVICES

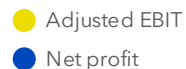

INVESTMENT PORTFOLIO STRENGTH AND SOLID COMMERCIAL PERFORMANCE

€ m unless otherwise stated

GROSS REVENUES

ADJUSTED EBIT & NET PROFIT

Q1 HIGHLIGHTS

- NII reflects lower rates on variable portfolio vs Q1-25 while marginally ahead of 2026 guidance, benefiting from improved rate momentum towards quarter-end
- Active Portfolio Management: most of FY-26 expected capital gains realized in Q1-26
- Postal Savings fees stable - supported by improving net flows
- Transaction Banking fees impacted by lower payment slip volumes
- Consumer Loans fees impacted by interest rates
- Asset Management revenues reflecting higher AuM
- Adjusted EBIT reflecting revenue trend

1. Includes revenues from payment slips (*bollettino*), current accounts related revenues, fees from INPS and money transfer; 2. Includes reported revenues from custody accounts, credit cards and other revenues from third party products distribution; 3. Includes intersegment distribution revenues

GROUP CLIENT TOTAL FINANCIAL ASSETS

1. IFRS17 requires the attribution of costs directly attributable to insurance policies - incl. distribution costs to remunerate Poste Italiane network - to Insurance Services' revenues. To ensure full elimination of intersegment costs we make an adjustment at Group level, allocating such costs to Labour costs, COGS and D&A

DISCLAIMER

This document contains certain forward-looking statements that reflect Poste Italiane's management's current views with respect to future events and financial and operational performance of the Company and of the Company's Group.

These forward-looking statements are made as of the date of this document and are based on current expectations, reasonable assumptions and projections about future events and are therefore subject to risks and uncertainties. Actual future results and performance may indeed differ materially from what is expressed or implied in this presentation, due to any number of different factors, many of which are beyond the ability of Poste Italiane to foresee, control or estimate precisely, including, but not limited to, changes in the legislative and regulatory framework, market developments, price fluctuations and other risks and uncertainties, such as, for instance, risks deriving from the direct and indirect effects resulting from the international ongoing conflict.

Forward-looking statements contained herein are not a guarantee of future performance and you are therefore cautioned not to place undue reliance thereon.

This document does not constitute a recommendation regarding the securities of the Company; it does not contain an offer to sell or a solicitation of any offer to buy any securities issued by Poste Italiane or any of its Group companies or other forms of financial assets, products or services.

Except as may be required by applicable law, Poste Italiane denies any intention or obligation to update or revise any forward-looking statements contained herein to reflect events or circumstances after the date of this presentation.

Pursuant to art. 154- BIS, par.2, of the Consolidated Financial Bill of February 24, 1998, the executive (Dirigente Preposto) in charge of preparing the corporate accounting documents at Poste Italiane, Alessandro Del Gobbo, declares that the accounting information contained herein corresponds to document results and accounting books and records.

This document includes summary financial information and should not be considered a substitute for Poste Italiane's full financial statements.

Numbers in the document may not add up only due to roundings.
