operations. The opening, as well as the closing, of the voting operations will be announced by the Chair.

When voting opens, each voter shall cast his or her vote by pressing one of the buttons on the *televoter* marked respectively “FOR”, “AGAINST”, or “ABSTAIN”.

With regard to the vote on the members of the Board of Statutory Auditors by means of the list voting system, referred to under item 4 on the Meeting agenda, it will be possible to press LIST 1 to vote for the first list (submitted by shareholder Double R S.r.l.), LIST 2 to vote for the second list (submitted by a group of asset management companies and international and national institutional investors), AGAINST to indicate opposition to both lists, or ABSTAIN if one wishes to abstain.

Once the vote has been selected, it must be confirmed by pressing the “ok” button. Until that button is pressed, the voter may change the vote cast. Once the “ok” button has been pressed, the vote may no longer be changed and will remain visible on the *televoter* display until the relevant voting operation is completed. Those who do not cast any vote shall be considered “non-voters”. Those who do not wish to contribute to the formation of the calculation basis for the majority are invited to leave the room before the start of the vote, reporting their exit to the staff and also handing in the *televoter*.

The *televoter* delivered must also be used to enter and leave the room during the meeting proceedings. Your kind cooperation is therefore requested so that the names of those who have left before each vote may be recorded in the attendance list attached to the minutes.

The voting methods described above apply to all participants, except for entitled persons wishing to cast split votes with respect to the shares

represented, who may vote with the assistance of the dedicated assisted-voting station.

For further information, in the event of technical problems concerning the functioning of the *televoter*, or in order to verify their vote, participants may contact the staff at the dedicated station.

The **Chairman** notes that the voting procedure for the resolutions on the agenda will be electronic, whereas other votes will be taken by show of hands or by roll call.

In the latter case, those voting against and/or abstaining must state their name, the name of any principal, and the number of shares represented personally and/or by proxy. Voters may verify their vote at the dedicated station.

The **Chairman** moves on to the discussion of the **first item on the agenda**.

The **Chairman** announces the number of hours worked by the independent auditors for the audit of the separate financial statements and the consolidated financial statements as at 31 December 2025 and the fees invoiced to date:

- appoint three Standing Statutory Auditors and two Alternate Statutory Auditors,
- appoint the Chairman of the Board of Statutory Auditors, and
- determine the annual remuneration of the Standing members of the Board of Statutory Auditors.

Standing Statutory Auditors:

from list 1: Carolyn Dittmeier, Nadia Fontana,

from list 2: Sonia Ferrero

Alternate Statutory Auditors:

from list 1: Lorenzo Mauro Banfi

from list 2: Gianluca Settepani

However, with the above method the composition of the Board of Statutory Auditors, with respect to its Standing members, does not ensure compliance with the rules in force from time to time concerning gender balance; the necessary substitutions are therefore made, among the candidates for the office of Standing Statutory Auditor on the list that obtained the highest number of votes, according to the progressive order in which the candidates are listed.

The following are elected:

Standing Statutory Auditors:

from list 1: Carolyn Dittmeier, Antonio Ricci,

from list 2: Sonia Ferrero

Alternate Statutory Auditors:

from list 1: Lorenzo Mauro Banfi

from list 2: Gianluca Settepani.

Such composition complies with the provisions of law and the By-laws.

All as per the details that will be attached to the minutes.

The **Chairman** announces the result.
