PRESS RELEASE

Resignation of Vincenzo Difronzo as Chief Sales Officer and appointment of Angelo Piloni as successor

Arezzo, June 23, 2026 – SECO S.p.A. ("**SECO**" or the "**Company**") announces that Vincenzo Difronzo has resigned from his position as Chief Sales Officer of SECO, effective as of June 29, 2026, in order to pursue a new professional path and for personal reasons.

In accordance with the Instructions to the Rules of the Markets organized and managed by Borsa Italiana, based on the information available to the Company, Vincenzo Difronzo holds no. 2,000 shares of the Company.

The Company also specifies that, in connection with the termination of his position, no indemnities or additional benefits are envisaged.

The Company thanks Vincenzo Difronzo for his contribution over the past 11 years and wishes him all the best in his future professional and personal endeavors.

Effective as of today, Angelo Piloni succeeds as Chief Sales Officer and will be responsible for accelerating the Company's go-to-market strategy, coordinating the Group's commercial initiatives.

Angelo Piloni boasts a long-standing career within SECO, where over more than 28 years he has supported the Company's evolution through roles of increasing responsibility in the Operations area, ultimately serving as Group Chief Operating Officer since 2018; in this position, he has also developed direct relationships with key clients, becoming a reference point in the management of the commercial dynamics.

With reference to the applicable regulations, as of the date of his appointment and based on the information available to the Company, Angelo Piloni does not hold any shares of the Company.

PRESS RELEASE

SECO

SECO (IOT.MI) is a high-tech company delivering integrated edge AI infrastructure and physical AI systems that bring intelligence directly into industrial devices. By combining advanced, modular hardware with Clea, its proprietary agentic Edge AI framework, SECO enables companies to deploy AI at the edge, turning field data into actionable insights and unlocking new services at the point of operation. SECO's complete infrastructure helps customers accelerate AI adoption at industrial scale, enabling them to launch smarter products and capture innovative revenue streams and business models, while providing industrial-grade manufacturing and long-term support. With a global customer base spanning across industrial automation, robotics, medical, defense, transportation, energy, and vending, SECO is a trusted enabler of next-generation intelligent systems.
