PRESS RELEASE

Racing Force Group among the 100 best-in-class companies in the Intermonte Valore Italia Index

*The Group selected for the new Index,
which aims to enhance the value of Italy's listed SMEs*

Ronco Scrivia (Genova, Italy), July 2nd, 2026 – Racing Force S.p.A. (ticker: RFG), the global leader in motorsport safety equipment, is proud to announce that it has been selected among the 100 best-in-class Italian companies included in the new Intermonte Valore Italia Index, part of Banca Generali's innovative PMI2Change initiative.

The Index has been created to showcase the universe of listed Italian small and medium-sized enterprises, bringing together 100 best-in-class companies that represent the strength and diversity of Italy's entrepreneurial landscape. It aims to broaden and diversify investment opportunities beyond traditional equity indices for both domestic and international investors.

The PMI2Change initiative was officially presented on July 1 during an event held at Palazzo Mezzanotte in Milan, home of Borsa Italiana, attended by Federico Freni, Undersecretary of State at the Italian Ministry of Economy and Finance. The initiative aims to support the growth and competitiveness of Italian businesses by fostering the development of listed SMEs with a market capitalization below €1 billion that are not part of the FTSE MIB Index.

Racing Force Group is among the companies selected on the basis of rigorous technical and financial criteria, including minimum free float, corporate governance standards, analyst coverage, financial sustainability, leverage levels, as well as representativeness within the Index.

With its main headquarters in Ronco Scrivia (Italy), Sakhir (Kingdom of Bahrain) and Mooresville (United States), the Group operates globally through its OMP, Bell Racing, Zeronoise and Racing
