Press Release

AGENCY CHANNEL: +46% MONTHLY RATE OF NEW SUPPLY CONNECTIONS, FROM 302 TO 441 PER MONTH, VS. JANUARY 2026

+54% IN THE POWER SEGMENT AND +30% IN THE GAS SEGMENT

POWER AND GAS VOLUMES OF THE AGENCY CHANNEL MATCHED TO EVISO EXCEED 90 GWh

Saluzzo (CN), 22 July 2026 – eVISO S.p.A. (ticker: EVISO) – a technology company, listed on the EGM, operating in the electricity, gas and fruit sectors – announces that, in the January–June 2026 period, the **average monthly rate of new supply connections acquired through the agency channel** recorded a **46% increase**, averaging 441 new connections per month compared with the 302 reported in January 2026 (see [press release of 15 January 2026](#)).

This result is part of an expansive growth path for the agency channel, a channel that complements eVISO's other channels: reseller, direct sales, retail and digital.

The agency channel's growth path is confirmed by the average monthly rate of new supply connections, which over the past six months increased by **+54% in the power segment**, reaching **318 PODs per month** compared with the 207 PODs per month reported in January 2026, and by **+30% in the gas segment**, reaching **123 PDRs per month** compared with the 95 PDRs per month reported in January 2026.

The chart below illustrates the evolution of the monthly rate of new supply connections:

The vertical axis shows the monthly rate of new supply connections, expressed as the number of PODs for the power segment (N.Pod) and PDRs for the gas segment (N.Pdr). The horizontal axis shows the time evolution from 2024 to June 2026.

Currently, **agencies with an active mandate** number **70 (+75% vs. January 2026)** spread **across 15 regions** (Abruzzo, Campania, Emilia Romagna, Lazio, Liguria, Lombardy, Marche, Piedmont, Puglia, Sardinia, Sicily, Tuscany, Umbria, Valle d'Aosta, Veneto).

In Piedmont and Liguria, where eVISO has historically been most active, market share is close to 1% (0.9% in Liguria and 0.7% in Piedmont, calculated on total electricity and gas consumption).

In addition, based on data provided by the Integrated Information System (Sistema Informativo Integrato, SII) – the public body that manages information flows for the electricity and gas markets – the agency channel volumes matched to eVISO in July 2026 amounted to **62 GWh in the energy segment** (48 GWh in January 2026) **and 30 GWh in the gas segment** (18 GWh in January 2026).

Lucia Fracassi, CEO of eVISO, commented: *“The agency channel today records an average rate of 441 new supply connections per month, up 46% versus January, and the power and gas volumes matched to eVISO, based on SII data, exceeded 90 GWh in July. These results confirm the scalability of eVISO’s business model and the platform’s ability to rapidly convert commercial growth into operational value”.*

Sergio Amorini, Agency Channel Director, commented: *“Over the past six months, the agency network has recorded significant growth: the channel today counts five dedicated specialist sales professionals, and 95% of active agencies have already generated supply connections. The synergy between the sales network, methodology and proprietary digital platform enables agencies to operate with greater efficiency, speed and control, accelerating the path toward autonomy and commercial results”.*

This press release is available in the Investor Relations section of the website www.eviso.ai. For the transmission of Regulated Information, the Company uses the EMARKET SDIR dissemination system available at www.emarketstorage.com, managed by Teleborsa S.r.l. – with headquarters Piazza di Priscilla, 4 – Rome – following the authorization and CONSOB resolutions n. 22517 and 22518 of 23 November 2022.

eVISO is a technology company that has developed a proprietary artificial intelligence platform that creates value in the commodities market, specifically in the electricity, natural gas, and fruit sectors. In the electricity and natural gas segment, eVISO operates across the entire energy value chain. Through its direct channel, eVISO serves approximately 32,000 customers—including small and medium-sized enterprises (SMEs), agricultural businesses, retail stores, and restaurants—via its sales network, agency channel, and retail channel. The company also operates upstream by providing dedicated services to renewable energy producers throughout Italy. Through its reseller channel, eVISO serves more than 100 partner energy suppliers, supporting their commercial growth and operational management.
