Family Bankers: the human touch ➡ Customers: freedom in banking

- **Entrepreneurial exclusive Family Bankers remunerated on commissions and with a strong advisory mindset**
➡ Advice and support anytime, anywhere
- **Trained to address the full spectrum of household financial needs**
➡ A single point of contact across banking, investments and protection
- **Aligned with Mediolanum's view of banking as a powerful acquisition and long-term relationship anchor**
➡ Support extending beyond investments to everyday
- **Direct channels seen as a source of synergy, not competition**
➡ The convenience of direct banking, with the reassurance of a trusted advisor

Over the last few years, asset gatherers have outgrown traditional banks and steadily gained market share

HH addressable Assets as at Sept. '25: € 4.09 trillion

Asset gatherers have been gaining ground mainly thanks to:

- A meaningfully **stronger service model**
- More **specialised and personalised advice**
- **Solutions** built around **customer needs**
- **A more relevant product offering**
- Strong appeal for experienced **professionals from traditional banks**

(*) Includes deposits, administered & managed assets. Does not include real estate, shares of unlisted companies, TFR (end-of-service pay) & cash, as these assets are a non-addressable market for financial institutions. **Total wealth** of Italian households – all items included – is equal to **€ 6.27 trn in 2025**. Prudent & very flexible approach thanks to short duration & very low risk appetite

Our investment strategy explains the consistency of our inflows & transfers 'technical performance' into 'customer performance'

- We advise our customers proposing products & services that correspond to each of their **specific needs**
- Investor needs remain fundamentally the same, they are **not influenced by market crises**
- We do not engage in stock-picking, tactical asset allocation decisions, or market-timing
- We recommend a series of **diversification criteria**, the most important being **time horizon** (5D Strategy)
- **Equity** investments are only considered for the **long term** (>10 yrs) and are diversified across the **global economy** to further reduce risk
- We strongly advise investors who have a long-term outlook to view **market crises as buying opportunities**

CSM is the new key metric showing size and stability of revenues ready to be recognised in future years

Greater visibility on future earnings from insurance business

- Inaugurated March 2009
- Centralises our training know-how, in coordination with top universities, professors and individuals who are experts in the field
- Provides our Family Bankers & employees with a resource for life-long education
- Develops financial education programs dedicated to our customers & the community

A proprietary state-of-the-art tool established in 1989
