Brunello Cucinelli S.p.A. is an Italian Casa di Moda founded in 1978 by the eponymous designer and entrepreneur and is listed on the medium and large companies stock exchange (MTA) of Borsa Italiana (now Euronext). Long rooted in the medieval Umbrian hamlet of Solomeo, the company is guided by an entrepreneurial philosophy that focuses on the major themes of "Harmony with Creation", respect for the dignity of every living being, and the pursuit of balanced growth in full accordance with the ethical values embodied in the founding principles of Humanistic Capitalism and Human Sustainability.

Initially specialising in the production of cashmere of the highest quality, the brand has expanded to include a lifestyle and ready-to-wear and casual chic offer, expressing a refined, discreet, yet versatile and everyday style. The collections seek to interpret the most authentic spirit of the Italian way of life, recreating with passion and ethics a taste perpetually balanced between elegance, creativity, contemporaneity and craftsmanship, one rooted in the values of tailoring and high craftsmanship peculiar to the Italian tradition and the Umbrian region, and deftly combined with an emphasis on innovation and contemporary style. Through a path of healthy, fair and sustainable development, the company seeks to generate profits with integrity and harmony, while respecting the moral and economic dignity of the more than 3,500 people who work for our Group.
