Deposit of the Interim Financial Report as of June 30, 2026

Arezzo, September 10, 2026 – SECO S.p.A. (the "**Company**") provides hereby notice that, pursuant to applicable regulations, the Interim Financial Report as of June 30, 2026 – approved by the Board of Directors on September 8, 2026 – together with the Independent Auditor's Report, is available at the Company's Registered Office in Arezzo, via Achille Grandi, 20, on the Company's website www.seco.com (page "Investor Relations > Financial Documents > Financial Statements and Reports"), as well as on the authorized storage system "eMarket STORAGE" at the web address www.emarketstorage.com.

This press release is published in the newspaper "Il Giornale" on today's issue.

§§§§

In addition to the press releases issued on 7th and 8th September 2026, with regards to the statements made by Chief Executive Officer Massimo Mauri during the Company 1H 2026 results' conference call, SECO announces that it expects to generate from its partnership with Neura Robotics no less than €25M of business value in 2027.

Considering that current market consensus stands at approximately €245M in revenues and considering the additional contribution expected from the partnership, preliminary expectations for next year indicate revenues of approximately €270M.

The Company reserves the right to provide formal guidance for fiscal year 2027 at a later stage.

SECO

SECO (IOT.MI) is a high-tech company delivering integrated edge AI infrastructure and physical AI systems that bring intelligence directly into industrial devices. By combining advanced, modular hardware with Clea, its proprietary agentic Edge AI framework, SECO enables companies to deploy AI at the edge, turning field data into actionable insights and unlocking new services at the point of operation. SECO's complete infrastructure helps customers accelerate AI adoption at industrial scale, enabling them to launch smarter products and capture innovative revenue streams and business models, while providing industrial-grade manufacturing and long-term support. With a global customer base spanning across industrial automation, robotics, medical, defense, transportation, energy, and vending, SECO is a trusted enabler of next-generation intelligent systems.
