Fincantieri is one of the world's largest shipbuilding groups, the only player active in all high complexity marine industry sectors. The Group is a leader in the construction of cruise ships, naval and offshore vessels, and stands out for its extensive experience in the development of underwater solutions, thanks to its integrated industrial structure capable of managing and coordinating all activities related to the commercial, defense, and dual-use sectors. It holds a strong presence in key markets also thanks to the internalization of high value-added, distinctive technologies; it is also a leader in sustainable innovation and in the digital transformation of the shipbuilding sector. The company is active in the field of mechatronics, electronics, and digital naval systems, as well as in cybersecurity, artificial intelligence, and marine interiors solutions. It also offers a wide range of after-sales services, including logistic support and fleet assistance. With over 230 years of history and more than 7,000 ships built, Fincantieri is a global player with a production network of 18 shipyards worldwide and over 24,000 employees. It maintains its know-how, expertise and management centres in Italy, where it directly employs over 13,000 workers and creates around 90,000 indirect jobs.
