Press Release**The acquisition of Atkore receives U.S. antitrust clearance**

Prysmian communicates that the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act applicable to the proposed acquisition of Atkore (NYSE: ATKR) expired on September 14, 2026. As a result, the transaction has been cleared for U.S. antitrust purposes. The transaction remains subject to approval by Atkore's shareholders holding at least a majority of the outstanding shares, other regulatory approvals and customary conditions.

Prysmian is the leading provider of solutions for energy and digital connections, delivering major electrical transmission projects on land and at sea, modernizing power grids, and unlocking renewable energy, electrification, and digital connectivity worldwide. The company combines engineering excellence with sustainability-driven innovation, enabled by its 34,000 employees, 109 production facilities and 30 R&D centers in over 50 countries. Prysmian is a public company, listed on the Italian stock exchange and recorded 2025 revenues of approximately €20 billion.
