MARKBASS S.P.A.: ALLOCATION OF BONUS SHARES TO ENTITLED SHAREHOLDERS

San Giovanni Teatino (Chieti), September 22nd, 2026 - **Markbass S.p.A.**, an Italian company specializing in the development and production of bass and guitar amplification systems, musical instruments, audio systems and strings, listed on Euronext Growth Milan, announces that on 1 October 2026 the free shares (the "Bonus Shares") will be allocated to investors who participated in the Initial Public Offering (IPO) of 30 September 2025 and who have retained full ownership of the Company's Shares for at least 12 months following the IPO, i.e. through and including 30 September 2026.

Terms and Conditions for the Allocation

As provided for in the Admission Document, all shareholders who meet the following requirements are entitled to receive 1 Bonus Share free of charge for every 5 ordinary shares (the "Shares") held:

- **Retention of ownership**: the Shares must have been held continuously from the commencement of trading (30 September 2025) until the end of the required holding period, set at 30 September 2026.
- **Custody**: the Shares must have remained deposited with an intermediary participating in the centralised securities management system operated by Monte Titoli S.p.A.

Allocation and Credit Timing

The Bonus Shares will be allocated automatically through the financial intermediaries with which the Shares are held, without any communication or action being required from entitled shareholders.

The Bonus Shares, which will have the same characteristics and regular dividend entitlement as the Shares already outstanding, will be made available to entitled shareholders starting from 1 October 2026. The transaction will not require any cash payment by shareholders and will not result in the allocation of fractional shares.

Subject to the above conditions being met, entitled shareholders will receive, free of charge, 1 Share with ISIN code IT0005670960 for every five Shares subscribed for as part of the listing. Subsequently, upon receipt and following the appropriate checks, the Company will allocate the Markbass Shares with ISIN code IT0005670960 free of charge to entitled shareholders by crediting them through Monte Titoli S.p.A. to the securities account held with the same custodian intermediary that submitted the relevant requests.
