### ICOP

*Founded in 1920 by the Petrucco family, ICOP is an underground engineering company operating in Italy and internationally in the fields of special foundations, microtunnelling and maritime works. The first benefit company in its sector, ICOP operates in the United States and in the main European markets, supporting private and public-sector clients – with a focus on long-standing relationships – on highly engineered projects related to the development of critical infrastructure (including the Paris and Copenhagen metro systems) and the strengthening of energy and water transport networks (gas pipelines and aqueducts). The Group is headquartered in Basiliano (Udine), Italy, and employs more than 1,100 people worldwide.*
