PRESS RELEASE

GIUNTI PSYCHOMETRICS ACQUIRES THE REMAINING 20% OF GIUNTI PSYCHOMETRICS HUNGARY KFT, BRINGING ITS OWNERSHIP TO 100% OF THE SHARE CAPITAL

Florence, 23 september 2026 - The Board of Directors of **Giunti Psychometrics Holding S.p.A. (Euronext Growth Milan: GPSY)** ("**Giunti Psychometrics**" or the "**Company**"), one of the leading international operators in the psychological assessment and mental health sector, specialising in the development, validation and commercialisation of scientifically validated tools supported by proprietary content and digital platforms for professionals, institutions and companies, announces that it signed today the deed for the acquisition of a 20% stake in the share capital of its Hungarian subsidiary, **Giunti Psychometrics Hungary Kft ("Giunti Psy Hu")**, for a total consideration of **Euro 449,000.00**.

Following the transaction, **Giunti Psychometrics Holding S.p.A.** will hold 100% of the share capital of **Giunti Psy Hu**. The transaction forms part of the Group's efforts to streamline its ownership structure and also takes into account the subsidiary's growth prospects for the coming years.

José Sales Grade, Amministratore Delegato di Giunti Psychometrics, commented: *"The acquisition of the remaining stake in Giunti Psychometrics Hungary is a strategic decision that allows us to fully integrate a business that has demonstrated strong growth capabilities over time and significant potential for further development. Looking ahead, we intend to support its growth by building on the company's distinctive expertise and the opportunities offered by its markets. Full integration will also enable us to share expertise and resources more effectively across the Group, further strengthening our international presence and laying even stronger foundations for sustainable, long-term growth"*.

This press release is available in the Investors/Investor Relations/Financial Press Releases section of the Company's website, corporate.giuntipsy.com. The Company also announces that it uses the eMarket SDIR system operated by Teleborsa S.r.l. for the dissemination of regulated information.

About us

Giunti Psychometrics is an international company specialising in psychometrics, psychological assessment and professional training. With more than 75 years of experience, the Company combines scientific expertise, technology and local market knowledge to develop and deliver scientifically validated assessment tools, digital platforms, training programmes and specialised services.

Its solutions range from clinical and educational assessment to talent assessment and development, large-scale selection processes, training for psychology and mental health professionals, as well as assessment solutions supporting mobility and driving licence issuance. The Company works with professionals, businesses, educational institutions, healthcare systems and public administrations, adapting its solutions to the cultural, scientific and regulatory requirements of each market.

With the objective of developing scientific tools and training programmes that help individuals realise their full potential, the Company's mission is to provide the best tools, training courses and services in the field of psychology. Its vision is to become one of the leading international players in the mental health technology sector. Integrity, ambition and humility are the core values that guide the way the Company operates and grows.
