PRESS RELEASE

d'AMICO INTERNATIONAL SHIPPING S.A. ANNOUNCES THE EXERCISE OF ITS PURCHASE OPTION ON MT HIGH FIDELITY, ITS LAST BAREBOAT CHARTERED-IN VESSEL

Luxembourg – October 5th, 2026 – d'Amico International Shipping S.A. (Borsa Italiana: DIS) (the "Company" or "DIS"), an international marine transportation company operating in the product tanker market, announces that its operating subsidiary, d'Amico Tankers d.a.c. (Ireland) ("d'Amico Tankers"), has exercised its purchase option under the existing bareboat charter-in contract for the MT High Fidelity ("the Vessel"), a 50,000 dwt medium-range product tanker built in August 2014 by Hyundai Vinashin Shipyard Co., Ltd., Vietnam, for a consideration of approximately US\$ 14.0 million. d'Amico Tankers expects to acquire ownership of the Vessel around mid-January 2027. The purchase price may be slightly adjusted to reflect the actual delivery date.

As of today, DIS' fleet comprises 28 double-hulled product tankers on the water (16 MRs, 6 Handysize and 6 LR1, of which 26 are owned and 2 are bareboat chartered-in), with an average age of approximately 10 years, plus 10 vessels ordered at shipyards, with deliveries in 2027 (4 LR1s) and 2029 (2 Handysize and 4 MRs).

Carlos di Mottola, Chief Executive Officer of d'Amico International Shipping, stated:

"Following the exercise of our purchase option on the MT High Discovery at the beginning of August, I am pleased to announce the exercise of the purchase option on our last remaining bareboat chartered-in vessel, the MT High Fidelity, a modern Eco-MR vessel built in 2014 by a leading shipyard, following its sale and leaseback in 2022. Upon delivery of this vessel, expected in mid-January 2027, DIS will operate a fully owned fleet of modern product tankers, all built in top-quality yards. In addition, through this transaction DIS will repay in full its remaining lease liability, further reducing the Company's financial leverage."

From today this press release is available on the investor relations section of DIS' website, filed with the CSSF, disclosed through the e-market SDIR circuit and stored at Borsa Italiana S.p.A. through the e-market STORAGE system and at Société de la Bourse de Luxembourg S.A. in its quality of OAM.

d'Amico International Shipping S.A. is a subsidiary of d'Amico Società di Navigazione S.p.A., one of the world's leading privately-owned marine transportation companies, and operates in the product tankers sector, comprising vessels that typically carry refined petroleum products, chemical and vegetable oils. d'Amico International Shipping S.A. controls, through its fully-owned subsidiary, d'Amico Tankers d.a.c., Dublin, either through ownership or charter arrangements, a modern and double-hulled fleet, ranging from 35,000 to 75,000 deadweight tons.
