AEFFE S.P.A. AND POLLINI S.P.A.: THE COURT OF BOLOGNA GRANTS THE REQUESTED 60-DAY PERIOD FOR THE FILING OF THE RESTRUCTURING PLAN SUBJECT TO COURT CONFIRMATION, APPOINTS THE OFFICERS OF THE PROCEEDINGS AND CONFIRMS THE PROTECTIVE MEASURES

San Giovanni in Marignano (RN), 19 October 2026. Aeffe S.p.A. (Aeffe or the Company) – a company listed on the Euronext Milan market organised and managed by Borsa Italiana and a leader in the fashion and luxury sector – announces that the Court of Bologna has issued an order in connection with the applications filed on 9 October 2026, as disclosed to the market in the press release dated 10 October 2026.

With reference to the so-called “protective” petition for access to the unified proceedings pursuant to Articles 40, 44 and 284 et seq. of the Italian Crisis and Insolvency Code (the **CCII**), the Court granted Aeffe and Pollini S.p.A. (**Pollini** and, together with Aeffe, the **Companies**) until 9 December 2026 to file the final application for access to the selected crisis resolution instrument, appointed Ms Enrica Piacquaddio and Mr Piero Aicardi as Judicial Commissioners, and ordered the Companies to appear at a hearing on 15 December 2026.

The Court also confirmed the asset protection measures requested by Aeffe and Pollini pursuant to Article 54, paragraph 2, first and second sentences, of the CCII, for the maximum period permitted and therefore until 10 February 2027. As a result of such order:

- creditors may not commence or continue enforcement or precautionary proceedings against the assets of Aeffe and Pollini, or against the assets and rights used in carrying on their business activities;
- limitation periods remain suspended and no forfeiture periods shall expire;
- no judgment opening judicial liquidation proceedings may be issued.

In addition, having acknowledged the urgency of completing the transaction within a short timeframe, the Court directed that the preparatory activities be commenced for the phase aimed at verifying whether any improved bids exist in respect of the offer submitted by Oxy Capital Italia, while reserving its decision on authorising the publication of a specific sale notice, subject to obtaining the opinion of the Judicial Commissioners.

Lastly, the Court reserved its decision on the application for authorisation to obtain super-priority bridge financing pursuant to Article 99 of the CCII until the discussions with the financing bank, which are currently at a preliminary stage, have progressed further.
