## NEW ORDER FOR OVER 55M€ SIGNED WITH MBDA IN FRANCE

---

**Colleferro (Rome), 28 October 2026** - Under the existing framework agreement with MBDA in France, Avio S.p.A. ("Avio" or the "Company") signed a production order for the supply of solid rocket motors and related aerodynamic surfaces for the ASTER 30 defense system, with a total value exceeding €55 million.

The order covers a three-year production period.

With this order, Avio confirms to play a central role in the European Defense, alongside MBDA Group, strengthening our contribution with an unprecedented continuously growing production capacity and responsiveness to increasing demand.

\*\*\*

**Avio** is a leading international group engaged in the manufacturing and development of space launchers and solid, liquid and cryogenic propulsion systems. The experience and know-how built up over more than 50 years puts Avio at the cutting-edge of the space launcher sector and defense program. Avio is present in Italy, France, United States and French Guyana, employing more than 1,500 highly qualified personnel. Avio is the prime contractor for the Vega program and a sub-contractor for the Ariane program, as well as a leading solid rocket motor subcontractor for the design and manufacturing of major European tactical missile programs.
