DISCLAIMER

This document has been prepared by Pharmanutra S.p.A. (the "Company") for use during meetings with investors and financial analyst and is solely for information purposes. It contains solely data and information provided by the Company or already in the public domain. This Document may not be reproduced or distributed, in whole or in part, by any person other than the Company.

This document may contain forward-looking statements about the Company based on current expectations and opinions developed by the Company, as well as based on current plans, estimates, projections and projects of the Company. These forward-looking statements are subject to significant risks and uncertainties (many of which are outside the control of Pharmanutra) which could cause a material difference between forward-looking information and actual future results. The Company does not make any guarantee that subsequent to the date of the document, there will not be any changes to the activities and/or earnings situation of the Company.

Any reference to past performance or trends or activities of the Company shall not be taken as a representation or indication that such performance, trends or activities will continue in the future.

This document does not constitute a proposal to execute a contract, an offer or invitation to purchase, subscribe or sell for any financial instrument and neither it or any part of it shall form the basis of or be relied upon in connection with any contract or commitment or investments decision whatsoever. Any decision to purchase, subscribe or sell for securities will have to be made independently of this presentation. Therefore, nothing in this presentation shall create any binding obligation or liability on the Company and its affiliates and any of their advisors or representatives.

Neither this presentation nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any investor.

All investors should consider such factors in consultation with a professional advisor of their choosing when deciding if an investment is appropriate. The Company has prepared this presentation based on information available to it, including information derived from public sources that have not been independently verified. No representation or warranty, express or implied, is provided in relation to the fairness, accuracy, correctness, completeness or reliability of the information, opinions or conclusions expressed herein. These projections should not be considered a comprehensive representation of the Company's cash generation performance.

All forward–looking statements attributable to the Company or persons acting on its behalf apply only as of the date of this document and are expressly qualified in their entirety by the cautionary statements included elsewhere in this document. The financial projections are preliminary and subject to change; the Company undertakes no obligation to update or revise these forward–looking statements to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate financial results. Projections are inherently subject to substantial and numerous uncertainties and to a wide variety of significant business, economic and competitive risks, and the assumptions underlying the projections may be inaccurate in any material respect. Therefore, the actual results achieved may vary significantly from the forecasts, and the variations may be material.

By receiving this Presentation, you acknowledge and agree to be bound by the foregoing terms, conditions, limitations and restrictions.

PROFIT AND LOSS

REVENUES

Revenues from new BU amounts approximately to €7.2M (+3.4M€), representing 6.5% of total revenues.

OPERATING EXPENSES

The increase in operating expenses compared to 2025 is physiologically driven by higher revenues and by operating expenses to sustain new BU growth.

TOTAL SOURCES	**70.268**	**59.797**	**10.471**

OPERATING WORKING CAPITAL

The change in Operating Working Capital is a consequence of the timing dynamics of collections and payments and production planning policies.

OTHER RECEIVABLES AND PAYABLES

The changes in the items Other Receivables and Other Payables are respectively due to the accounting of deferrals related to costs whose competence extends beyond September 30, 2026, and the recognition of taxes on the period's result.

FINANCIAL ASSETS

The increase in Financial Assets refer to the investments made on a project related to the Cetilar® Brand.

PROVISION AND OTHER LONG TERM LIABILITIES

The change is attributable to the payment of variable remuneration and the severance indemnities (TFM) due to directors.

NET FINANCIAL POSITION

Net Financial Position decreased by 6M € because of dividend distribution, investments in capex and share buyback.

Teleborsa: distribution and commercial use strictly prohibited

CONSOLIDATED CASH FLOW

CASH FROM OPERATING ACTIVITIES

Changes in operating working capital are driven by collection and payment policies for commercial receivables and payables.
Changes in other assets/liabilities are mainly due to the recognition of the tax liability related to the profit of the period.

CASH FROM INVESTING ACTIVITIES

Capex are referred to R&D projects in progress, software implementations and other operating Capex.

Net Financial Investments refer to a project concerning the Cetilar® brand.

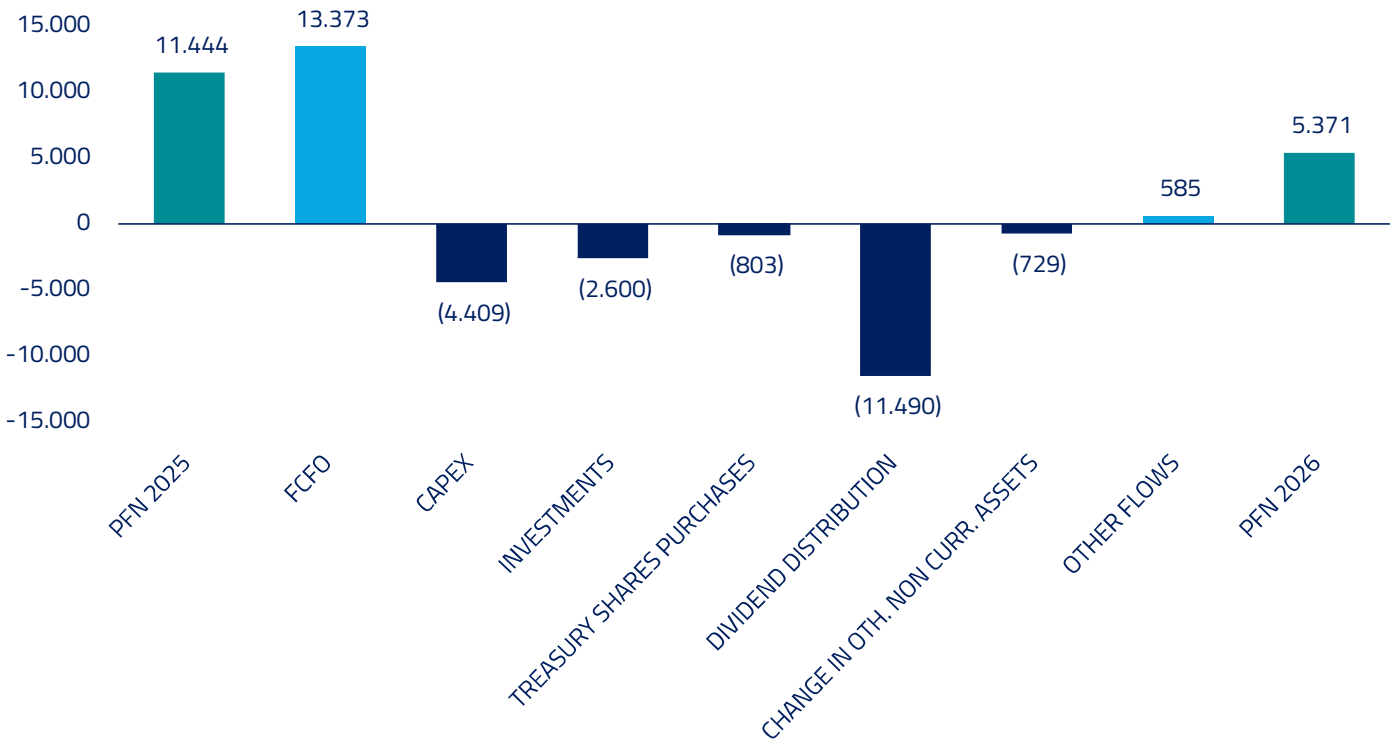

CASH FROM FINANCING ACTIVITIES

Cash from financing activities is influenced by the dividend distribution (Euro -11.5 M) and by treasury shares buyback.

NET FINANCIAL POSITION

NFP

The Net Financial Position as at 30 September 2026 is positive (Net Cash) by Euro 5.4 million, compared to Euro 11.4 million as at 31 December 2025.

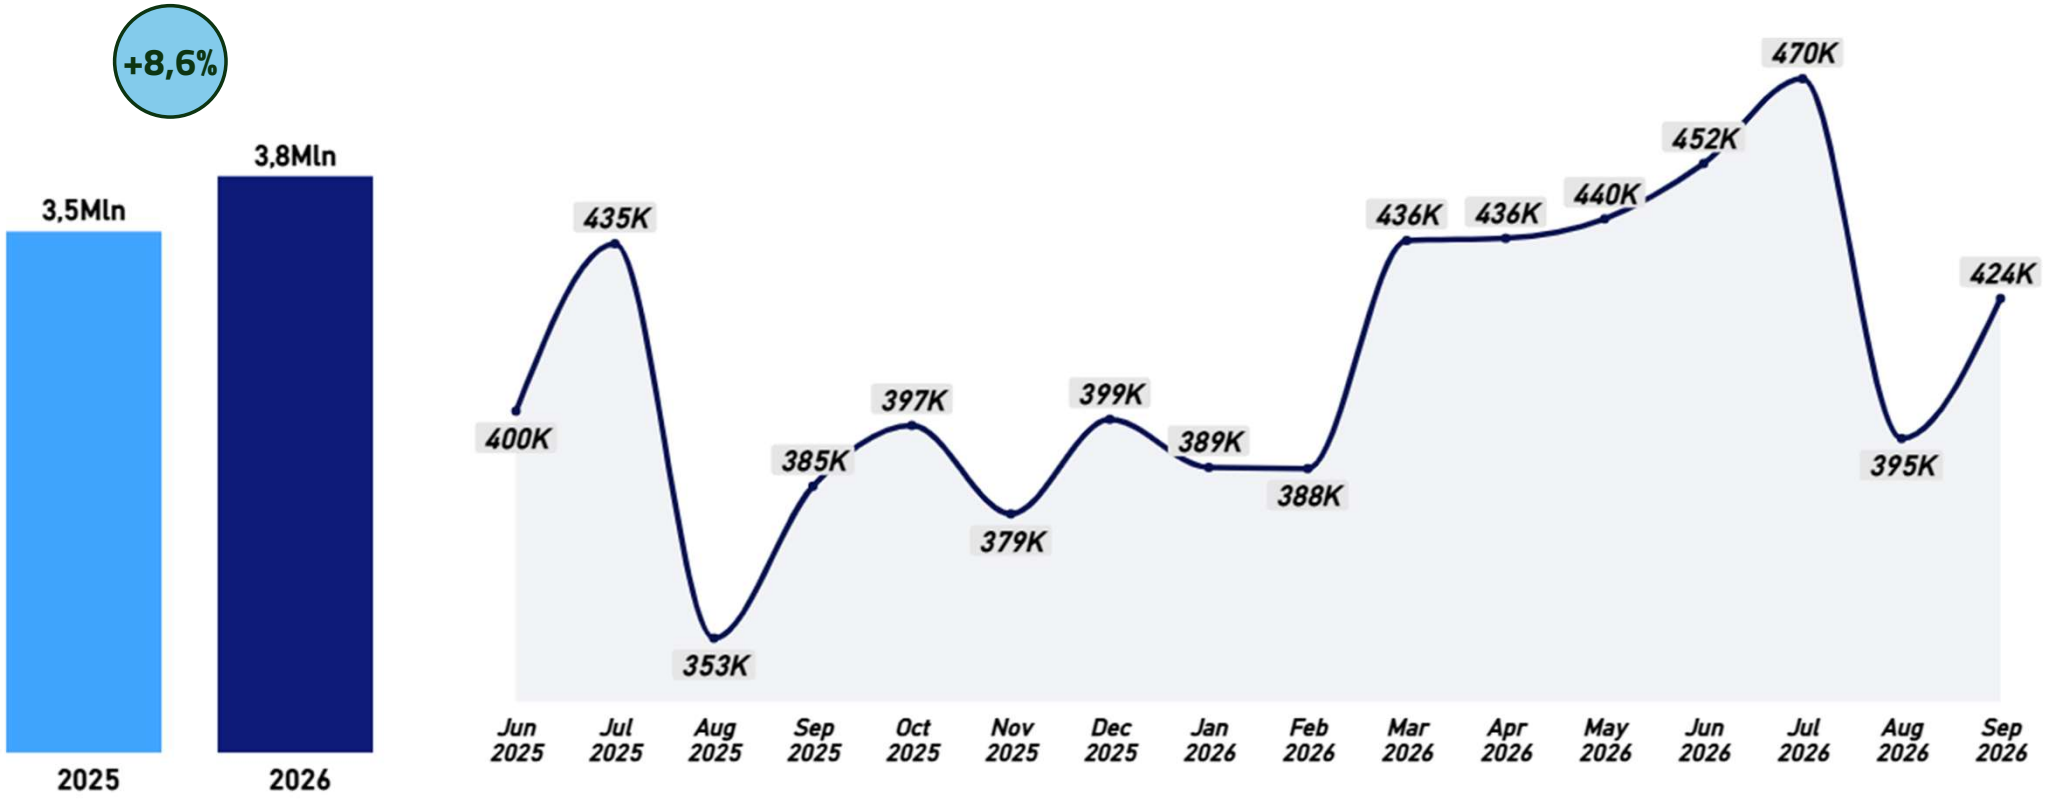

The decrease is due to dividend distribution (Euro -11.5 million), investments in capex (about Euro -4.4 million) and treasury shares buyback (-0,8 million).

THE EXTENSIVE PHARMANUTRA FOOTPRINT WORLDWIDE

In addition to direct subsidiaries Pharmanutra operates in **81 countries with 53 partners**, carefully selected among the best international pharmaceutical and nutraceutical companies.

Teleborsa: distribution and commercial use strictly prohibited

OUTLOOK 2026

PHARMANUTRA group

Teleborsa: distribution and commercial use strictly prohibited

SIGNIFICANT EVENTS AFTER 30 SEPTEMBER 2026

- The **internationalization process** continues successfully, with several initiatives.
- **Sidevit® B12 launched in Germany** as a further development of the partnership established in 2024 with Fresenius Kabi, following the launch of SiderAl® in the German market.
- Products from the **SiderAL® line** launched in new markets, namely **Morocco, Peru** and **Singapore.**
- The agreement signed with the Asian partner offers **strong strategic potential** to further strengthen the Group's footprint in Asian markets.

Teleborsa: distribution and commercial use strictly prohibited

OUTLOOK 2026

- Expected **growth of "AS IS" revenues** both in the Italian and foreign markets.
- Significant **increase in New Business Unit revenues,** driven by USA and China. In October Pharmanutra USA hit more than $ 500K in Net Revenues.
- **EBITDA margin improvement**, although still influenced by operating investments to support the New Business Units.
- Expected further **strong cash generation** from operating activities.

Teleborsa: distribution and commercial use strictly prohibited

PUSHING THE BOUNDARIES OF INNOVATION

IMPRESSIVE RESEARCH PIPELINE

130+ prototypes in pre-clinical evaluation in the following fields:

- **Bone fracture** and **metabolism**
- **Brain function** integrity
- **Gastric** protection
- **Arthritis** and **joint** preservation
- Future **iron upgrade**
