The Designated Representative has also stated that she has no personal interest in the proposed resolutions submitted to the vote at today's Meeting; however, solely in order to avoid any possible dispute as to the existence of a conflict of interest, the Designated Representative has expressly declared her intention not to cast any vote other than as indicated in the voting instructions.

The Chairman then invites me, the Notary, to provide, on her behalf, the preliminary information and the procedural arrangements for the Meeting.

I, the Notary, on behalf of the Chairman, remind the attendees that the Meeting has been called in both extraordinary and ordinary session to discuss and resolve on the following:

I inform the attendees, under the legislation on the protection of personal data, that Amplifon S.p.A. is the Data Controller and that the personal data (first name, surname and any other information, such as place of birth, residence and professional qualifications) of the Shareholders have been and will be collected in the forms and within the limits set forth by the applicable laws; such data will be processed manually and/or electronically and may be disclosed and disseminated also abroad, including outside the European Union, in the forms and within the limits set forth by the applicable laws.

I acknowledge that all information requirements under art. 125-bis of the TUF have been duly met.
I acknowledge that the documentation relating to today's Meeting, in both its extraordinary and ordinary session, has been made available to the public at the Company's registered office, on the Company's website and in the other manners provided for by the regulation adopted by Consob under resolution no. 11971 of 14 May 1999 (as subsequently amended and supplemented) (the "**Issuers' Regulation**"), within the publication deadline required by the applicable laws.

I point out that the Company has not received any request to supplement the agenda under art. 126-bis of the TUF.
I also clarify that no questions were received before the Meeting pursuant to art. 127-ter of the TUF.

As regards shareholders' agreements relevant pursuant to art. 122 TUF, the Company is aware of the existence of a shareholders' agreement relevant pursuant to art. 122 TUF, entered into between Ampliter S.r.l. and GN Store Nord A/S in connection with the Company's acquisition of GN Hearing A/S, concerning the shares held by Ampliter S.r.l. in the Company. - **Ampliter S.r.l.:** no. 105,105,392 shares, equal to 38.69% of the share capital and 70.09% of the voting rights.

I remind the attendees that each share carries one vote, except as provided for by the increased voting mechanisms set forth in art. 13 of the Company's Articles of Association.
The number of voting rights exercisable as a result of the accrual of increased voting rights has been made public within the time limits set out in art. 85-bis of the Issuers' Regulation.

I declare that the subscribed and paid-up share capital as at today's date amounts to Euro 5,433,772.40 (five million, four hundred and thirty-three thousand, seven hundred and seventy-two point forty) and is divided into 271,688,620 (two hundred and seventy-one million, six hundred and eighty-eight thousand, six hundred and twenty) ordinary shares with a nominal value of Euro 0.02 each.

It is specified that, based on the data available to the Company as at today's date, the Company directly holds no. 5,940,161 (five million, nine hundred and forty thousand, one hundred and sixty-one) treasury shares, corresponding to 2.186% of the share capital.

Some representatives of the Independent Auditors KPMG S.p.A. also participate.

Finally, I invite the Designated Representative to declare any grounds, pursuant to law, preventing or suspending the voting rights reported by the individual proxy-givers, in relation to all the matters expressly listed on the agenda, including those relating to the failure to comply with the disclosure and publication obligations concerning shareholders' agreements pursuant to art. 122 TUF.

*****

The Chairman confirms the communications and declarations made by me, the Notary, and moves on to deal with the items on the agenda.
The Chairman asks me, the Notary, to provide the procedural information on this item, after which she will open the discussion.

With reference **to the first item on the agenda of the extraordinary session**, I remind the attendees that the Extraordinary Shareholders' Meeting has been called to resolve on the proposal for a share capital increase for consideration, on an indivisible basis and excluding pre-emption rights pursuant to Article 2441, paragraph 5, of the Italian Civil Code, to be completed by no later than 30 June 2027, through the issuance of 56,000,000 (fifty-six million) ordinary shares having the same characteristics as those already outstanding as at the date of issuance, reserved for subscription by GN Store Nord A/S and to be paid up

Teleborsa: distribution and commercial use strictly prohibited

by way of set-off against part of the purchase price agreed for the acquisition, by the Company or a wholly-owned vehicle thereof, of an interest representing the entire share capital of GN Hearing A/S, a company incorporated under the laws of Denmark, registered with the Danish Central Business Register (CVR) under No. 55 08 27 15 and having its registered office at Lautrupbjerg 7, DK-2750 Ballerup, Denmark, as well as on the consequential amendment of Article 6 of the Articles of Association. Should the aforesaid acquisition be carried out not directly by the Company but through a corporate vehicle established for this purpose and wholly owned by the Company, the Company will take on the debt (whether by assumption of debt, payment delegation or other appropriate means) corresponding to the portion of the price to be settled through the issuance of the new Amplifon shares (by way of shareholder financing), which debt will then be extinguished by set-off against the subscription price for the New Shares payable by GN Store Nord A/S to the Company.

I remind the attendees that the proposed share capital increase forms part of the Amplifon group's growth and development plan and is intended to facilitate the completion of Amplifon's acquisition of the entire Hearing business of GN Store Nord A/S, a leading company in the development and marketing of advanced hearing solutions.

I point out that the proposed resolution is discussed in full and in detail in the Explanatory Report prepared by the Board of Directors pursuant to art. 2441, paragraph 6, of the Italian Civil Code, articles 125-ter and 158, paragraph 3, TUF, and art. 72 of the Issuers' Regulation, made available to the public – together with the other documentation required by the applicable regulations – within the time limits and in the manner prescribed by law, to which I expressly refer and which, for reasons of efficiency of the Meeting proceedings, is not read (together with the other documentation relating to this item on the agenda). The Explanatory Report, together with the other documentation, is acquired in the records of the Meeting and attached to the relevant minutes.

I also point out that on 7 October 2026 (1) Professor Andrea Amaduzzi, as independent expert appointed pursuant to art. 2343-ter of the Italian Civil Code, issued his opinion on the value attributable, as at the reference date of 30 June 2026, to the entire Hearing Business of the GN Group subject to the described acquisition, which, after deducting the cash component of the acquisition consideration, is not lower than the value of the share capital increase, equal to Euro 630,952,000.00; and (2) KPMG S.p.A. issued its fairness opinion on the subscription price of the newly issued shares, pursuant to art. 2441, paragraph 6, of the Italian Civil Code and art. 158 TUF.

Finally, I remind the attendees that the shares resulting from the aforesaid share capital increase will be issued and allotted to GN Store Nord A/S on the date of completion of the acquisition of the entire share capital of GN Hearing A/S, it being understood that such issuance will take place only if, and concurrently with, the completion of such acquisition.

I then read the proposed resolution of the Board of Directors contained in the Explanatory Report, after which the discussion will be opened:
"The Shareholders' Meeting of Amplifon S.p.A., convened in extraordinary session,
(i) having reviewed the explanatory report of the Board of Directors;
(ii) having regard to Articles 2438, 2441, paragraphs 5 and 6, and 2343-ter, paragraph 2(b), of the Italian Civil Code and Article 158 of the TUF; and

Teleborsa: distribution and commercial use strictly prohibited

(iii) having noted that the Company's existing share capital of Euro 5,433,772.40, divided into 271,688,620 shares with a nominal value of Euro 0.02 each, is fully paid up and that the Company has no convertible bonds outstanding and has issued no special classes of shares,

RESOLVES

1. *to approve an indivisible share capital increase for cash, to be completed by no later than 30 June 2027, in an aggregate amount of Euro 630,952,000.00, of which Euro 1,120,000.00 is to be credited to share capital and Euro 629,832,000.00 to the share premium reserve, through the issue of 56,000,000 ordinary shares with a nominal value of Euro 0.02 each and having the same characteristics as the ordinary shares outstanding at the date of issue, at an issue price of Euro 11.2670 per share, of which Euro 0.02 is to be credited to share capital and Euro 11.247 to the share premium reserve, reserved for subscription by GN Store Nord A/S, with pre-emption rights excluded pursuant to Article 2441, paragraph 5, of the Italian Civil Code for the reasons set out in the explanatory report of the Board of Directors, such shares to be paid up in cash by way of set-off against an equal amount of GN Store Nord A/S's receivable in respect of part of the purchase price payable for the acquisition, by the Company or a wholly-owned vehicle thereof, of the entire share capital of GN Hearing A/S;*
2. *to set 30 June 2027 as the final date for subscription of the Share Capital Increase pursuant to Article 2439, paragraph 2, of the Italian Civil Code;*
3. *to provide that the Share Capital Increase shall become effective only if subscribed in full and, if so subscribed, with effect from the date of full subscription, without prejudice to the effects arising upon registration of this resolution with the competent Companies Register;*
4. *to amend Article 6 of the Articles of Association in accordance with the wording set out in the explanatory report of the Board of Directors;*
5. *to authorize each of the Chair of the Board of Directors and the Chief Executive Officer pro tempore, acting severally and with power to sub-delegate and appoint special attorneys, to take all actions and execute all documents necessary or appropriate to give effect to this resolution, including, without limitation, to complete any formalities required to obtain any necessary approvals and to make such amendments, additions or deletions to this resolution as may be required by any competent authority or in connection with its registration with the competent Companies Register; and*
6. *to acknowledge that, pursuant to Article 19 of the Articles of Association currently in force and Article 2365, paragraph 2, of the Italian Civil Code, the Board of Directors is authorized to amend the Articles of Association, including the provisions amended pursuant to this resolution, to reflect any legislative or regulatory provisions that have entered or may subsequently enter into force."*

The Chairman then opens the discussion and invites the Designated Representative to declare any interventions and to confirm whether the data of the shares represented have remained unchanged.
The Designated Representative confirms that there are no interventions and no changes compared with the last count.

The Chairman then puts to the vote the proposed resolution on the first item on the agenda of the extraordinary session and asks the Designated Representative to communicate the results of the voting.
The Designated Representative then reads out the votes received:

- Favorable: 464,408,210 votes
- Against: 666 votes
- Abstained: 0 votes
- Non-voting: 0 votes.

Teleborsa: distribution and commercial use strictly prohibited

The Chairman thanks the Designated Representative, acknowledges and declares that the proposed resolution is approved by majority.

***

With reference to **the second item on the agenda of the extraordinary session**, I remind the attendees that the Shareholders' Meeting in extraordinary session has also been called to resolve on the amendment of Articles 9, 10, 11, 12, 15, 16, 17, 19 and 23 of the Articles of Association and the consequential renumbering of the Articles, in order to reflect the legislative changes introduced by Legislative Decree No. 47 of 27 March 2026, which introduced a comprehensive reform of the capital markets provisions of the TUF and of the provisions of the Italian Civil Code governing companies limited by shares.
In this respect, the amendments to the Articles of Association covered by this proposal are necessary in order to bring the Articles of Association into line with the new provisions introduced by the aforesaid Decree, where such amendments are required or otherwise appropriate to avoid any inconsistency between the Articles of Association and the revised legislative framework, while at the same time taking advantage of the flexibility afforded by the new legislative framework to equip the Company with up-to-date governance arrangements aligned with market best practice.

I point out that the proposed resolution is discussed in full and in detail in the Explanatory Report prepared by the Board of Directors pursuant to art. 125-ter TUF, art. 72 of the Issuers' Regulation and Annex 3A to the same regulation, which sets out the individual amended articles in a comparative text with the amendments highlighted. The Report has been made available to the public within the time limits and in the manner prescribed by law; I expressly refer to it and, for reasons of efficiency of the Meeting proceedings, its reading is omitted. The Explanatory Report is acquired in the records of the Meeting and attached to the relevant minutes.

I then read the proposed resolution of the Board of Directors contained in the Explanatory Report, after which the discussion will be opened:
"The Shareholders' Meeting of Amplifon S.p.A., convened in extraordinary session, having reviewed the explanatory report of the Board of Directors,

RESOLVES

1. *to approve the amendments to the Articles of Association in accordance with the wording set out in the explanatory report of the Board of Directors;*
2. *to authorize each of the Chair of the Board of Directors and the Chief Executive Officer pro tempore, acting severally and with power to sub-delegate and appoint special attorneys, to take all actions and execute all documents necessary or appropriate to give effect to this resolution, including, without limitation, to complete any formalities required to obtain any necessary approvals and to make such amendments, additions or deletions to this resolution as may be required by any competent authority or in connection with its registration with the competent Companies Register;*
3. *to authorize the Board of Directors to amend the existing rules of procedure for Shareholders' Meetings to reflect the applicable legislative and regulatory provisions currently in force;*
4. *to acknowledge that, pursuant to Article 19 of the Articles of Association currently in force and Article 2365, paragraph 2, of the Italian Civil Code, the Board of Directors is authorized to amend the Articles of Association, including the provisions amended pursuant to this resolution, to reflect any legislative or regulatory provisions that have entered or may subsequently enter into force."*

The Chairman then opens the discussion and invites the Designated Representative to declare any interventions and to confirm whether the data of the shares represented have remained unchanged.
The Designated Representative confirms that there are no interventions and no changes compared with the last count.

Teleborsa: distribution and commercial use strictly prohibited

The Chairman then puts to the vote the proposed resolution on the second and last item on the agenda of the extraordinary session and asks the Designated Representative to communicate the results of the voting.
The Designated Representative then reads out the votes received:

- Favorable: 415,842,942 votes
- Against: 48,509,809 votes
- Abstained: 56,125 votes
- Non-voting: 0 votes.

The Chairman thanks the Designated Representative, acknowledges and declares that the proposed resolution is approved by majority.

***

With reference **to the first item on the agenda of the ordinary session**, I remind the attendees that the Ordinary Shareholders' Meeting has been called to resolve on the appointment of a Director to the Board of Directors following co-option.
I remind the attendees that the Shareholders' Meeting held on 23 April 2025 appointed the Board of Directors currently in office, determining the number of its members at nine for the three-year term 2025–2027 and, therefore, until the Shareholders' Meeting convened to approve the financial statements for the financial year ending 31 December 2027.
Following the resignation of Mr Nicola Bedin with effect from 5 May 2026, the Board of Directors, at its meeting held on the same date, having obtained the prior opinion of the Remuneration and Nomination Committee and the favorable assessment of the Board of Statutory Auditors, appointed Ms Francesca Fiore by co-option to replace him as an independent non-executive Director.
I also remind the attendees that Ms Fiore had already been included by the majority shareholder, Ampliter S.r.l., in its slate of candidates submitted at the time of the previous renewal of the Board of Directors and that, in accordance with the applicable rules, a Director appointed by co-option remains in office until the following Shareholders' Meeting (specifically, today's Meeting).
Today's Shareholders' Meeting is therefore called to resolve on the appointment of Ms Francesca Fiore as a member of the Board of Directors, to hold office until the expiry of the term of office of the current Board and, therefore, until the Shareholders' Meeting convened to approve the financial statements for the financial year ending 31 December 2027.
Finally, I remind the attendees that, as this is an appointment to complete the composition of the Board of Directors following co-option, the slate voting procedure provided for under Article 15 of the Articles of Association does not apply and the Shareholders' Meeting is therefore called to resolve in accordance with the majorities prescribed by law.
I refer to the Explanatory Report prepared by the Board of Directors pursuant to art. 125-ter TUF, as well as to the documentation attached thereto relating to the candidate, including her curriculum vitae, details of the management and control positions currently held and the declaration made for the purposes of accepting the office and confirming that she meets the requirements prescribed by applicable law and the Articles of Association, made available to the public within the time limits and in the manner prescribed by law and whose reading, for reasons of efficiency of the Meeting proceedings, is omitted. The Report and the related documentation are acquired in the records of the Meeting and attached to the relevant minutes.
I then read the proposed resolution of the Board of Directors contained in the Explanatory Report, after which the discussion will be opened:
"The Shareholders' Meeting of Amplifon S.p.A., convened in ordinary session, having reviewed the explanatory report of the Board of Directors,

RESOLVES

Teleborsa: distribution and commercial use strictly prohibited

having taken into account the offices currently held by her, to appoint Ms Francesca Fiore, born in Naples on 27 March 1967, Italian tax code FRIFNC67C67F839S, an Italian citizen, as a Director to complete the composition of the Board of Directors, having previously been appointed by co-option by the Board of Directors at its meeting held on 5 May 2026, to hold office until the expiry of the term of office of the current Board of Directors and, therefore, until the Shareholders' Meeting convened to approve the financial statements for the financial year ending 31 December 2027."

The Chairman then opens the discussion and invites the Designated Representative to declare any interventions and to confirm whether the data of the shares represented have remained unchanged.

The Designated Representative confirms that there are no interventions and no changes compared with the last count.

The Chairman then puts to the vote the proposed resolution on the first item on the agenda of the ordinary session and asks the Designated Representative to communicate the results of the voting.

The Designated Representative then reads out the votes received:

- Favorable: 464,352,706 votes
- Against: 45 votes
- Abstained: 56,125 votes
- Non-voting: 0 votes.

The Chairman thanks the Designated Representative, acknowledges and declares that the proposed resolution is approved by majority.

***

With reference to **the second item on the agenda of the ordinary session**, I remind the attendees that the Shareholders' Meeting in ordinary session has been called to resolve on the increase in the number of members of the Board of Directors following completion of the acquisition of GN Hearing A/S and on the appointment of an additional Director to the Board of Directors.

I remind the attendees that the arrangements relating to the Acquisition provide for GN Store Nord A/S to designate its own representative as a member of the Company's Board of Directors, with effect conditional upon completion of the Acquisition, and that GN Store Nord A/S has designated Scott Davis for this purpose.

The Board of Directors has therefore proposed that today's Shareholders' Meeting determine the number of members of the Board of Directors at ten, increasing the current number of nine members by one, and appoint Scott Davis as an additional member of the Board of Directors, to hold office until the expiry of the term of office of the current Board and, therefore, until the Shareholders' Meeting convened to approve the financial statements for the financial year ending 31 December 2027.

I also remind the attendees that the effectiveness of these resolutions will be conditional upon completion of the Acquisition and that, if the Acquisition is not completed, they will have no effect and the number of members of the Board of Directors will remain unchanged.

I further remind the attendees that, as a result of the increase in the number of members of the Board of Directors, the Shareholders' Meeting is asked to redetermine the aggregate remuneration of the Board of Directors for the 2026 financial year at Euro 1,605,000.00, compared with the amount of Euro 1,530,000.00 previously approved, it being understood that the Board of Directors will determine the remuneration of the new Director on a pro rata temporis basis from the date on which the relevant appointment becomes effective.

Finally, I remind the attendees that, in this case too, as this is an appointment to complete the composition of the Board of Directors, the slate voting procedure provided for under Article 15 of the Articles of Association does not apply and the Shareholders' Meeting is therefore called to resolve in accordance with the majorities prescribed by law.

Teleborsa: distribution and commercial use strictly prohibited

I refer to the Explanatory Report prepared by the Board of Directors, as well as to the documentation attached thereto relating to the candidate, including his curriculum vitae, details of the management and control positions currently held and the declaration made for the purposes of accepting the office and confirming that he meets the requirements prescribed by applicable law and the Articles of Association (including the declaration that there are no grounds for ineligibility under art. 2382 of the Italian Civil Code and no disqualification from the office of director imposed on him in a Member State of the European Union), made available to the public within the time limits and in the manner prescribed by law and whose reading, for reasons of efficiency of the Meeting proceedings, is omitted. The Report and the related documentation are acquired in the records of the Meeting and attached to the relevant minutes.
I then read the proposed resolution of the Board of Directors contained in the Explanatory Report, after which the discussion will be opened:
"The Shareholders' Meeting of Amplifon S.p.A., convened in ordinary session, having reviewed the explanatory report of the Board of Directors,

RESOLVES

1. *to determine the number of members of the Board of Directors at ten;*
2. *having taken into account the offices currently held by him, to appoint Mr Scott Davis, born in Athens, Alabama (USA) on 28/09/1971, tax code [OMISSIS], an american citizen, as a Director to complete the composition of the Board of Directors, to hold office until the expiry of the term of office of the current Board of Directors and, accordingly, until the Shareholders' Meeting convened to approve the financial statements for the financial year ending 31 December 2027;*
3. *to redetermine the aggregate remuneration of the Board of Directors for the 2026 financial year — as constituted following the appointment of the additional member — at Euro 1,605,000.00 to be allocated among its members by the Board of Directors and accounted for in the relevant financial year;*
4. *to make the effectiveness of this resolution and the resulting appointment of the additional Director referred to herein conditional upon completion of the Acquisition."*

The Chairman then opens the discussion and invites the Designated Representative to declare any interventions and to confirm whether the data of the shares represented have remained unchanged.
The Designated Representative confirms that there are no interventions and no changes compared with the last count.
The Chairman then puts to the vote the proposed resolution on the second and last item on the agenda of the ordinary session and asks the Designated Representative to communicate the results of the voting.
The Designated Representative then reads out the votes received:

- Favorable: 438,154,448 votes
- Against: 26,198,903 votes
- Abstained: 55,525 votes
- Non-voting: 0 votes.

The Chairman thanks the Designated Representative, acknowledges and declares that the proposed resolution is approved by majority.

Nothing else being on the agenda, the Chairman thanks the attendees and declares the Shareholders' Meeting closed at 12:33 pm.
